# Report of the High Secretary-Treasurer,

For the Year Ending December 31, 1898.

*To the Representatives of the Massachusetts Catholic Order of Foresters in Annual Convention Assembled, April 26, 1899.*

*Representatives:*

In obedience to the Laws laid down in the Constitution, which require a full report of the work of the High Standing Committee and of the Order, I hereby cheerfully submit the following report for your information and consideration, for the year 1898.

The High Standing Committee have held 52 regular meetings during the year, at which all matters pertaining to the Order were given full and careful consideration. The High Standing Committee have in addition during the year, made to the Courts throughout the State, 100 visits, giving hearings and attending public meetings, and at all times were received with the kindest and most cordial courtesy.

## New Courts.

It has been the pleasure of the Committee to initiate fourteen new Courts during the year, numbered and named as follows:

Mount Carmel No. 148, instituted January 13, 1898, 104 charter members, average age 31 years, 2 months.

Gen. Montgomery No. 149, instituted February 4, 1898, 17 charter members, average age 31 years, 4 months.

Cambridge No. 150, instituted February 17, 1898, 17 charter members, average age 28 years, 1 month.

Perpetual Help No. 151, instituted February 28, 1898, 53 charter members, average age 34 years, 2 months.

Gen. Francis A. Walker No. 152, instituted March 5, 1898, 20 charter members, average age 37 years, 6 months.

Father Thayer No. 153, instituted March 16, 1898, 19 charter members, average age 35 years. 9 months.

Hughes No. 154, instituted March 25, 1898, 15 charter members, average age 31 years, 8 months.

Magdalen No. 155, instituted April 25, 1898, 18 charter members, average age 28 years, 6 months.

Marquette No. 156, instituted July 15, 1898. 24 charter members average age 26 years.

Assumption No. 157, instituted August 25, 1898, 30 charter members, average age 32 years, 7 months.

St. Paula No. 158, instituted September 15, 1898, 27 charter members, average age 31 years, 6 months.

Immaculate Conception No. 159, instituted October 6, 1898, 16 charter members, average age 34 years, 2 months.

Ave Maria No. 160, instituted November 3, 1898, 20 charter members, average age 31 years, 2 months.

Wakefield No. 161, instituted December 21, 1898, 18 charter members, average age 27 years, 4 months.

The average age of the new Courts instituted during the year was 31 4-7 years.

The total number of applications received during the year was 2,169, the average age being 33 years; of these there were approved 1,826, the average age being 32 years; the average age of those rejected by the High Standing Committee was 36 years, 9 months.

## Death Claims.

The total number of deaths reported during the year was 120, 4 of whom laid down their lives in defence of our beloved Country.

There were also brought over from 1897, 12 claims, making a total of 132 deaths, of which number 131 were paid, leaving but one unpaid claim December 31, 1898—a grand record.

The average length of membership of the deceased was 8 years, 6 months, 10 days. The average age of the deceased members 43 13-44 years.

## Average Age of the Order.

A computation made in the latter part of the year, 1898, of the ages as given in the applications for membership, show the average age of the Order to be 39 years, 4 months, a condition that requires the most earnest thought of all who desire the permanency of the Organization, and the maintenance of the minimum number of assessments. *The importance of a low average age cannot be over-estimated*, for it is a fixed fact, beyond the power of man to alter, that an increased average age assuredly demands an increase in the number of assessments, and makes the burden a heavier one to be borne by all concerned.

## Finance.

On pages 10 and 11 is a full statement of the receipts and expenditures of the year, the same being verified by the Committee on Finance, after a close and thorough examination of all the books and papers connected therewith.

On pages 23, 24 and 25 will be found a tabulated statement of the annual financial returns of the Courts of the Order as reported by their officers, and verified by the respective Auditing Committees.

## Membership.

The record of the membership of each court, given in returns, will be found on page 28, and shows to the interested Forester where the greatest activity exists in promulgating the beneficent influence of our great Organization.

## Comparison.

A comparison of the work accomplished by the Order during the past two years, 1897 and 1898, may be found on page 27, in which the financial growth of the Organization is clearly exhibited, and which furnishes a potent argument in favor of renewed efforts on the part of every member of the Order in disseminating the grand principles which govern us and which in the past has been prolific of so much good to all who have joined us in the crusade of "Unity and True Christian Charity."

## Mortuary Calls.

The number of Calls issued during the year was nine—viz: 145, 146, 147, 148, 149, 150, 151, 152, 153, yielding the great sum of $135,344.75, of which $131,000.00 was paid over to the heirs of our deceased members, in many instances bringing blessed relief, sorely needed, and winning for us the prayers of the bereaved, and the favor of Heaven for the work of Charity to which our Order is dedicated.

## Conclusion.

The growth of the Organization during the year has been most encouraging, and proves that the public confidence in our purposes and methods is growing stronger as we grow older. Let our efforts be directed to increasing that confidence, until the people of our faith throughout the State, feel a sense of security within our ranks, which cannot be found elsewhere.

Respectfully submitted,

JAMES J. McLAUGHLIN,
*High Secretary-Treasurer.*

## MORNING SESSION.

Called to order at 9.30, A. M., by High Chief Ranger, Wm. E. Shay.

High Court Chaplain, Rev. Hugh Roe O'Donnell, of East Boston, opened the Convention with prayer.

High Chief Ranger introduced Rev. Hugh Roe O'Donnell, who Spoke at length of his connections as High Court Chaplain for the past fifteen years, ever since the decease of the lamented Father Daley of St. Joseph's Church, and commended the work the Order had accomplished in the past twenty years and urged them to continue the good work.

He spoke approvingly of the lessons contained in the Ritual and bade all to live up to them, as they tended to make us better men and women. He said he was obliged to be brief as he had important parish work to do and wished that the Order may grow and prosper. He then retired.

*To the Delegates of the Massachusetts Catholic Order of Foresters in Convention:*

In the performance of my duty I submit the following report:

The following Courts were instituted during the past year:

| Father Stack No. 162, | Apr. 23, 1899, | 24, | 33 3 |

The total number of women Courts in the Order is 37.

The total number of mixed Courts in the Order is 49.

The total number of women in the Order is 2,722.

The total number of deaths reported during the year was 120, and 12 deaths brought over from the year before makes a total of 132.

The total number of deaths paid during the year was 131.

The balance of deaths the first of the year, 1899, was 1.

The number of applications received was 2,169, being 5 less than received in 1897. Of these 1,826 were accepted and initiated, and 343 were rejected, showing the greatest percentage of rejections for some years. This proves that the medical examinations have been more searching, and greater care taken that the Order should not suffer from carelessness on the part of the examiners; also the fact that the Order is in such condition, that many who are approaching the age which debars them from joining do not hesitate to deceive the investigating committee as well as the examiners.

We have reason to be thankful for the success we have met with in the past year, notwithstanding the war and the extreme dulness of business, and I am satisfied that the record we have made will compare favorably with that of any other fraternal organization in this State.

In looking over the report of the High Secretary-Treasurer I find we have 151 Courts with a membership of 13,225; 107 Courts have made gains in membership. I am sorry to say that from 44 of the Courts we have received no report of any increase in membership. I need only refer you to the report in your hands to see if I am not right. Of the members who have passed away, I find that 35 were 50 years or over, and 88 were under 50 years. The youngest was W. F. Crocker, age 19, who was killed at the Battle of Santiago He was a member 8 months and 4 days. I also find that of those who died, 26 were members less than 2 years. The oldest to die was 69 years, and had been a member 18 years and 2 months.

The honor of the Banner Court as regards the increase in membership belongs to Essex No. 16, which initiated 38. Iona No. 10 initiated 36, and has a membership of 250, the largest in the Order. 9 Courts succeeded in getting 1 new member, and 12 Courts by extra effort got 2. I will not comment on this record, but simply present it to you for your consideration.

Our loss in membership by death for the year 1898 was 120, and although we sadly miss them and sympathize with the bereaved ones, we feel assured that the good we were instrumental in accomplishing in their behalf, not only in a monetary way, but also in the generous outpouring of sympathy and kindly acts, must in some measure compensate them, and convince them and the public that our Order is not a selfish one, but that we are actuated by a higher and nobler aim; that Fraternity Unity and Charity in their broadest sense is what we practice, and we aim to do all in our power to help one another and advance the welfare of our members.

## Deputy High Chief Rangers.

The Order has been very fortunate in the members selected to act as Deputies, and I cannot sufficiently thank them for the interest taken, and the amount of work accomplished by them in aid of their Courts. I might mention the names of those who have done wonderfully well, but feeling confident that the Courts will cherish and honor them, I will refrain from so doing. Satisfied as I am that the consciousness of duty well done is all the reward they ask. Again I thank them, and wish them the same success in life that they by earnest effort have secured in this Order.

## Bonds of Subordinate Court Officers.

This is a subject which to my mind will bear looking into, and I think the present mode of securing bonds for the financial officers should be discontinued for it is a fact that due care is not taken in the selection of bondsmen, and the Courts are subject to loss and inconvenience. I would suggest that the members of a Court should be deemed ineligible to serve in that capacity, and that the sureties should be placed in some safe Bond Association at the expense of the Court. This is a matter for your consideration, and I trust you will give it the attention it merits.

## Finance Committee.

The Committee selected by you to audit the books of the High Secretary-Treasurer have attended to their duty, and are prepared to report. The expert accountant also has given much time and care to a thorough examination of the books of the financial officer, and his report is presented for your approval.

## Committee on Constitution.

The Committee selected to codify and revise the constitution have held a number of meetings and given much time and thought to the accomplishment of that work, and present to you at this session the result of their labors. It is hoped that the result of their work will meet the demands of the Order, and that it is so simplified as to receive the approbation of the members.

A number of proposed Amendments to the Constitution have been received and acted upon by the Committee; they also will be presented for your action at this session.

## High Medical Examiner.

No report in person by the High Medical Examiner having heretofore been given to the Convention, I have requested that officer to prepare and make a detailed report of his work for the past year, and I would recommend that reporting annually to the Convention be made a part of the duty of the office.

Upon the faithful performance of the duties of the office in a great measure depends the success of the Order, and carelessness or indifference in the matter of examinations should not be tolerated. This is a matter to which the High Standing Committee have given a great amount of thought, the necessary action on the part of the Committee, caused by careless examinations, has occasioned hard feelings toward the Committee, who in all things have worked first for the Order and next for the Examiner.

## Twentieth Anniversary.

The Committee on the Twentieth Anniversary will report to you and recommend some plan for the proper celebration of that event. If it meets with your approval it is to be hoped that the representatives will at the next and subsequent meetings of their respective Courts urge upon the members this fact, that to make a success of this occasion all must be interested and feel that the success or failure in a great measure depends upon the action of the individual members. With this feeling animating the members I have no doubt but the occasion will be one long to be remembered.

## New Ritual.

Some complaints have reached me concerning the working of the Ritual, and upon investigation I have found ground for complaint in the fact that no attempt was made by some of the officers to familiarize the same. Also I must confess that some of the charges seem longer than necessary, and may well bear curtailing, and I would suggest that a committee be selected to revise and simplify the Ritual.

## Public Meetings.

I feel it my duty to call to your attention the fact that the holding of public meetings has not been given the consideration it merits. There is not a city or town in this Commonwealth but should have one or more of such meetings each year, and the benefit to the Order would more than repay for the time and expense. Let us not hide ourselves but come out into the open, and where two or more Courts are, members unite in one grand meeting. We have a record to be proud of, and if we make the effort be sure it will be crowned with success. The High Standing Committee will be glad to aid in this good work, both with their assistance and advice.

Now that the time for me to sever my connection with the High Standing Committee draws near, I wish to say that I have nothing but words of praise to give to the gentlemen who for the past two years have aided me to the best of their ability in the interest of the Order, and I cannot wish my successor in office, whosoever he may be, more than that he may have the good fortune to have associated with him brothers who on all occasions have shown by their actions and words that their one object in view was the welfare of the Order. Gentlemen of the Committee I do sincerely thank you, and while memory lasts will cherish as one of the bright spots in my life the time I was associated with you in this good work.

To you, members of the Order, what shall I say for the kindness shown me on all occasions when called upon to meet you either for business or pleasure. I shall never forget the friendly hand that met mine and the illuminated face that spoke welcome that no words could tell. I thank you all, and my wish is that you may long be spared to make others as happy as you have made me.

In conclusion I have but to say that my best efforts are at the command of this Order at all times, and may God grant that our united endeavors in the cause of "Fraternity, Unity and Charity" may meet with that success which such a noble work merits, is my earnest prayer.

After a careful examination of the receipts and disbursements of the different funds, as shown by vouchers and bills on file, your Committee have compared them with the books of the High Secretary-Treasurer, with the check-books and bank-books of the Order, and report all accounts correct.

Your Committee, having also examined the books and accounts of the Board of Trustees, beg leave to report as follows:

| | |
|---|---|
| Total amount in Reserve Fund Dec. 31, 1897 | $37,606.86 |
| Received during the year | 17,373.00 |

Your Committee find that the books and papers of the Trustees are correct, and consider the investments good, and fully covered by insurance.

In view of the fact that a most thorough examination of the accounts was made by your Committee, it was deemed unnecessary to incur the additional expense of hiring an expert this year, and consequently employed none.

Your Committee, in connection with this report, desires to make the following recommendations:

(1) That the Per Capita assessment of seventy-five (75) cents per member be levied for 1899.

(2) That the Finance Committee, if they deem necessary, have power to employ an expert, under their supervision, to examination.

(3) That the salary of the High-Secretary Treasurer for 1899 be $2,500.

(4) That the sum of $1,500 may be used for clerical hire by the High-Secretary Treasurer, under the supervision of the High Standing Committee, and that no person not a member of the Order be employed in said office.

(5) The system whereby one man is both Secretary and Treasurer of the Order, is, in the opinion of your Committee, not in accordance with the best business principles, and should be remedied without delay. Your Committee, therefore, unanimously and strongly recommend that the office of High Secretary-Treasurer be divided, by amending the Constitution, so as to provide for the election of a High Secretary and High Treasurer.

Respectfully submitted,

JOHN BRANT.
J. P. J. WARD.
THOMAS F. KELLEY,

The Committee on revising and codifying the Constitutions of High and Subordinate Courts, then reported the result of their labors, through their Chairman, Bro. Wm. P. Hayes of Springfield, and the same was laid over until new business was ordered.

The report of the Committee on Celebrating the Twentieth Anniversary of the Order, was then made by Bro. Hayes of Springfield, which was as follows:

## REPORT OF

## TWENTIETH ANNIVERSARY COMMITTEE.

Boston, April 26, 1899.

*To the Massachusetts Catholic Order of Foresters:*

The Committee appointed by the High Chief Ranger to consider and report upon the matter of the Twentieth Anniversary of the Order, begs leave to submit the following report:

Letters were sent to all the Subordinate Courts of the Order, requesting the opinion and recommendations of the several Courts as to how the Twentieth Anniversary might be most appropriately celebrated, and forty-eight responses were received containing many varied suggestions.

The Committee finally decided to recommend to the next Annual Session of the High Court that the Anniversary be celebrated by attending High Mass of the Order at the Cathedral in Boston in the forenoon, to be followed by sight-seeing throughout the City, and that a social gathering and banquet be held at some harbor resort during the afternoon, at which banquet, an oration would be delivered by some prominent man on some subject relative to Fraternal Insurance.

It was also voted that a printed copy of this recommendation be mailed to all Subordinate Courts at least thirty days before the Annual Session of the High Court, in order that the Representatives to the Annual Session might be enabled to learn the sense of their respective Courts upon the Committee's recommendation. As a consequence it was requested that this communication be read in all Subordinate Courts, and a vote taken upon the same so that all Representatives to the Annual Session be prepared to act upon the matter.

Wm. P. Hayes, *Chairman.*
Garrett H. Keefe, *Secretary.*
J. J. McLaughlin.

Bro. Long of St. Joseph Court No. 11, moved that the report be accepted.

It was on motion deferred for further consideration, which motion was carried.

Bro. Hayes for the Committee on revising and codifying the Constitution, reported, which report was accepted and consideration laid over for the present.

Bro. Doody of Canton Court No. 67 reported for the Committee on Constitutional Amendments, which report was accepted and action postponed till the afternoon session. The report was as follows:

The High Chief Ranger then announced a recess for the Convention to take dinner.

# AFTERNOON SESSION.

Called to order by High Chief Ranger Wm. E. Shay at 2.30, P.M.

The High Chief Ranger called for the report of the High Medical Examiner, it being the first formal report ever given to the Order by that officer, and High Medical Examiner, Francis J. McQueeney, M. D., took the stand and submitted the following report, which was by vote accepted.

## HIGH MEDICAL EXAMINER'S REPORT.

*To the Representatives of the Twentieth Annual Convention of the Massachusetts Catholic Order of Foresters:*

Representatives:—

Acting upon the suggestion of High Chief Ranger William E. Shay, a report of the Medical Department of our Order has been prepared by me for consideration,

This Twentieth Anniversary of the Organization offers an opportunity of inaugurating the custom by the High Medical Examiner of presenting an annual report of which this will be the first since the founding of the Society.

In May, at the beginning of the term, a circular was issued to our Examiners enclosing one of the old applications for men and women. They were requested to suggest alterations and express their opinion in the making up of a new application blank. Replies were received from forty-one of our Medical Examiners. A new blank embodying many of the ideas that were submitted was issued July 1, 1898.

One of the most radical and also important changes from the old form was the requirement that the family and personal history of the applicant be reported by our Examining Physician, thereby doing away with the many errors that were a constant source of annoyance in considering the final disposition of the risk in the old blank.

The medical questions in the remainder of the paper were altered from the stereotyped style in vogue, and permitted an Examiner to indicate the scope of his medical attainments and his good judgment. The change has certainly afforded the Committee a more intimate knowledge of the many excellent Physicians among our Examiners, who in the old blank were restricted in their work.

On the other hand indications of a merely selfish interest in the Order, has been manifested and treated by the High Standing Committee in the manner required by the important duty they owe the Order in conducting its affairs.

With two exceptions the Examiners of the previous year were re-appointed. These vacancies and that left open by the promotion of the High Medical Examiner were filled by the selection of Drs. Shannahan of Brookline, Drohan of Brockton, and Madden and Kelliher of Boston.

During the year additional appointments to fill vacancies were made of Drs. Farrell of Malden, McCarthy of Marlboro, O'Leary of Wakefield, Flynn of North Easton, McCarthy of Brockton and O'Shea of Lynn.

A Card of Instructions containing a standard table of weights and measurements, to secure uniformity in the work of our Examiners, was also issued and produced excellent results.

A Banquet was tendered the Doctors on July 12, 1898, by the High Standing Committee. Addresses by High Chief Ranger Wm. E. Shay and others of the Committee and the reading of medical papers on Insurance topics by Drs. Croston of Haverhill, Gallison of Franklin, McGrath of Beverly, Kennedy of Springfield, Mehegan of Taunton and McCarthy of Brockton comprised the evening's program.

During the year ending January 1, 1899, our Society has paid 131 death claims, of this number one death was due to Strangulated Hernia, three to Disease of the Liver, five were caused by wounds and disease in our late War, six to Cancer, eight deaths were the result of accidents, fourteen died from Chronic Disease of the Heart and the same number from Disease of the Brain.

Ten deaths were due to Chronic Brights Disease, and sixteen from Pneumonia. Consumption caused thirty-two deaths, the ages ranging from 30 to 50 years.

The above list of deaths must impress our members with the important position diseases of the Lungs, Heart and Kidneys occupy in Life Insurance.

The death due to Strangulated Hernia certainly strengthens the position your Committee has taken upon this class of risks by refusing them admission to our Order.

From May 1st, 1898, to January 1st, 1899, we have rejected 216 applications, as follows:

Two were to be held till 30 years old.
Three had Diabetes.
Five had Hernia.
Eight, poor family history.
Eleven, Alcoholic Habits.
Fourteen, Disease of the Lungs.
Seventeen were under or over weight.
Seventeen, poor family and personal history.
Twenty-one, Disease of the Kidneys.
Twenty-two, Disease of the Heart.
Twenty-Six, Poor Physical Condition.
Sixty-two were over the age limit.
The remaining eight were from varied diseases.

Age has caused the largest number of rejections, as high as eight years above the limit having been refused. Variations from two to six years are ordinary happenings.

To protect the Order we have had to obtain certified copies of births and deaths. The expense has amply repaid the Society.

One of the great difficulties with which we have been confronted outside of age, is the endeavor to cover up the actual cause of death in the families of applicants and their own illnesses.

The most conscientious candidates regard their examination as a contest between themselves and the Medical Examiner and although they may answer the questions asked, they will not volunteer any

information about themselves. The difference therefore between private patients who consult a Physician and oftentimes exaggerate their symptoms and an applicant to our Order, emphasizes the need of special training and experience upon the part of our Insurance Examiners that is not generally understood.

It does not follow that a good Family Physician is an expert Examiner for Insurance, on the other hand a thoroughly capable Medical Examiner is usually a good Family Doctor.

My relations during the year with my colleagues of the profession have, with slight exceptions, been of a very pleasant character. The anxiety of some of our men to avoid giving offence to an applicant or his friends, is one of the objectionable features of our system of examination.

Every member of our Order is pledged to the payment of $1,000 upon the death of a Brother or Sister of our Society, while other attributes of our Organization may be considered important, they should be subsidiary to our Insurance obligation.

We are absolutely dependent upon the honesty, competency and the fearlessness of our corps of Medical Examiners. Neither friendship nor relationship should prompt interference by our members in the appointment of Physicians, upon whom we rely for the selection of suitable insurance risks. We have kept this object in view and retained only those Examiners who have done their duty by our society.

The upright and just character of a majority of the men and women who constitute our membership cannot but sustain and encourage their officers in the full performance of their duty.

We have now reached a period in the age of our Order when constant care is needed in our Medical work and I trust for the honor of our Society, you will recognize its importance for the greater growth and future welfare of the Massachusetts Catholic Order of Foresters.

Respectfully submitted,

FRANCIS J. McQUEENEY,

*High Medical Examiner.*

Boston, April 26, 1899.

Bro. Maloney of Williams Court No. 19, moved that in view of the fact that there were some Representatives from out of town, who were desirous of returning home on early trains, the Election of Officers take place at 3 o'clock. P. M.

Bro. Tighe of Cathedral Court No. 1 opposed the motion, arguing that there was other business that should be attended to first.

On a vote being taken Bro. Maloney's motion was carried and Election of Officers was assigned to take place at 3, P. M.

High Chief Ranger Wm. E Shay called for the report of the Committee on Amendments to the Constitution, and Chairman B R. Doody of Canton Court No. 67 read the report.

First Amendment. See page 49.

The Committee reported LEAVE TO WITHDRAW.

Bro. Dineen of Lepanto Court No. 142 argued earnestly against the report of the Committee and strongly urged the adoption of the Amendment.

Sister Hughes of Hughes Court No. 154 supported the report of the Committee and claimed that as the law stood any Sister was eligible for any office. The Amendment would confine her to the office of Junior High Vice Chief Ranger only.

Upon a vote being taken the report of the Committee LEAVE TO WITHDRAW, was accepted.

Bro. Ward of Sheil Court No. 35, said that he desired to have action taken on Amendment No. 2, previous to the Election of Officers, as it was one of importance and should be considered at this stage. There being no objection the High Chief Ranger admitted its consideration, and Chairman Bro. Doody of Canton Court No. 67, read the Amendment.

Second Amendment. See page 49.

High Chief Ranger Wm. E. Shay said the question was on the adoption of the report of the Committee.

Bro. Ward of Sheil Court No. 35, moved to amend the report of the Committee by striking out the words "leave to withdraw" and substituting "recommended for adoption" and argued at length in support of his Amendment.

Bro. Hayes of Gallagher Court No. 64, opposed the Amendment with much earnestness, especially in view of the excellent report made of the finances and the manner in which they were conducted.

Bro. Fennessey of St. James Court No. 54, spoke in opposition to the Amendment.

Bro. Driscoll of Americus Court No. 34, saw no reason why there should be a division of the office, both the Committee on Finance of which Bro. Ward is a member and also the expert commending the manner and methods of conducting the finances.

On a yea and nay vote being taken, the Amendment was defeated.

The report of the Committee "leave to withdraw" upon a yea and nay vote being taken, was then accepted.

This vote being doubted a rising vote was ordered and the Conductors reported 146 in the affirmative and 47 in the negative and the High Chief Ranger declared the report of the Committee, viz: LEAVE TO WITHDRAW, accepted.

High Chief Ranger Wm. E. Shay announced the next in order, by assignment was the election of officers and called for nominations for High Chief Ranger.

High Vice Chief Ranger Doherty in a speech full of emotion spoke in terms of high commendation of his great worth as a man and as a citizen and offered the following resolutions which were adopted by a unanimous rising vote.

## RESOLUTIONS:

WHEREAS, we shall look no more upon our old friend and Brother,

### JOSEPH J. KELLEY.

The High Chief Ranger called for the report of the recommendations of the Committee on Finance and Chairman Brant read Recommendation No. 1, see page 46, which after reading, an Amendment was offered making the Per Capita Tax 50 Cents instead of 75 cents.

Bro. Mooney of Sherwood Court No. 8, said that he came instructed by his Court to advocate a Per Capita Tax of $1.00 and he moved that it be $1.00 for the year 1899.

# Report of the High Secretary-Treasurer,

For the Year Ending December 31, 1899.

---

*To the Representatives of the Massachusetts Catholic Order of Foresters in Annual Convention Assembled, April* 25, 1900.

*Representatives:*

It is with satisfaction I present for your consideration the following report of the work performed by the High Standing Committee during the year 1899.

The High Standing Committee have held during the year regular weekly meetings, at which all matters pertaining to the welfare of the Order were carefully considered, discussed and such disposition as was for the interest of the general body given, earnestly praying that the disposition made was the best that could be devised. The Committee, in addition, have also held ten extra sessions, and have been incessantly active in visiting the various Courts in the different sections of the Commonwealth, giving hearings, holding public meetings and advancing the work of the Order by strengthening the love of its members and imbuing all with the spirit of true Charity and affection.

It is with pleasure that we bear our kindest testimony to our fellow members for the universal kindness and courtesy extended on every occasion which will linger with the most pleasant memories of our labors in the Massachusetts Catholic Order of Foresters.

## New Courts.

It has been the pleasant duty during the year 1899 to organize and put in communion with our great body the several new Courts, numbered and named as follows:

Father Stack Court No. 162, Watertown, instituted April 23rd, 24 charter members, average age 33 years.

Sancta Marie Court No. 163, Everett, instituted July 27th, 26 charter members, average age 32 years.

St. Eulalia Court No. 164, New Bedford, instituted August 9th, 18 charter members, average age 24 years.

Lady of Victory Court No. 165, Fall River, instituted November 28th, 14 charter members, average age 34 years, 6 months.

St. Agatha Court No. 166, Sandwich, instituted December 3rd, 15 charter members, average age 32 years.

Five Courts being completed and nine under way, six of which have been organized during the month of February of this year, making eleven Courts instituted.

Since January 1st, 1900, we have organized the following Courts:

Pinehurst Court No. 167, Fitchburg, instituted February 5th, 30 charter members, average age 35 years, 6 months.

Wachusett Court No. 168, Leominster, instituted February 5th, 13 charter membere, average age 36 years, 2 months.

Charity Court No. 169, Milford, instituted February 8th, 30 charter members, average age 30 years, 1 month.

Westford Court No. 170, Graniteville, instituted February 10th, 15 charter members, average age 36 years, 8 months.

Wannalancet Court No. 171, North Chelmsford, instituted February 10th, 17 charter members, average age 33 years, 6 months.

St. Ambrose Court No. 172, West Quincy, instituted February 23rd, 16 charter members, average age 31 years, 8 months.

The average age being 32 years and a small fraction.

## Death Claims.

The total number of deaths reportd during the year 1899 were 138. The number brought over from 1898 was 1, making a total of 139 deaths, of which number 126 were paid leaving the year 1900 to take care of 13, with a record of 8 Mortuary Calls for the year 1899. No Mortuary Call being issued by the High Standing Committee from Call No. 161, issued October 2, until Call No. 162 was sent out January 1, 1900, a period of three months is a record to be proud of throughout the Order. The Call now outstanding and due will yield sufficient to take care of more than all the deaths reported to the High Standing Committee.

## Average Age of the Order.

The average age of the Order as reported by the Courts on page 16 will show the character of the risks taken by the High Standing Committee. We cannot refrain from urging our members to ascertain to a certainty the correct age of the applicant for membership. Too much importance cannot be attached to procuring the true age of all who seek admission.

Our Order is a most desirable Organization to be connected with, and as such, tempts misrepresentation on the question of age frequently, and forces the High Standing Committee to a great deal of labor in procuring from Town clerks proof of the ages given in the applications. Let our endeavor be to keep the average age at a figure below 35 years and the great result will be less assessments and the strengthening of the Order in the great work it is engaged in.

By computation made and returned to the Main Office from 153 Courts, the average age figures out the sum of 38 years, 8 months, 23 days. Let us endeavor during the present year to reduce this figure by our additions being among those whose age will be the main stay in accomplishing so desirable a result.

## Mortuary Calls.

The small number of Calls isued during the year 1899 speaks volumes of praise for our Organization. The number being but eight, comprising Nos. 154, 155, 156, 157, 158, 159, 160 and 161. We can with justice congratulate our Order on such a splendid showing in the twentieth year of our existence.

## Membership.

The growth of the Organization during the year just ended, is a source of satisfaction to the membership. The total number of applications received being 1,748 of which 1,359 were accepted and 389 refused.

## Conclusion.

The condition of the Order is such that the well wishers of the Organization cannot but rejoice in its growing prosperity. Let all continue their Labor of Love and bring within our fold the youth and strength of our people, thereby making our Order a tower of protection to all connected with it, and in the end merit the blessings of a Loving God.

Respectfully submitted,

JAMES J. McLAUGHLIN,
*High Secretary-Treasurer.*

## Address of High Chief Ranger

## THOMAS F. DOHERTY.

In accordance with the usual custom, I submit the following report.

During the year the High Standing Committee has held sixty regular meetings, has visited a large number of local courts of the Order, inasmuch as they attracted a large number of people who were not members and this afforded an opportunity of making known the benefits and blessings of membership in our Organization. From one of these public meetings alone, in which nine Courts were interested, over one hundred applications for membership have been received.

A number of new courts have been organized and instituted during the year and others are now in process of organization.

The High Standing Committee are especially gratified with the work accomplished in the cities of Fall River and Fitchburg where two new Courts have been instituted, the first the Order has had in either City. The seed in these cases has been sown in fertile fields and we look with confidence for fruitful results.

The following is a list of new Courts instituted since the last Convention:

Sancta Maria Court No. 163, Everett, instituted July 27, 1899.

St. Eulalia Court No. 164, New Bedford, instituted August 9th.

Lady of Victory Court No. 165, Fall River, instituted November 28th.

St. Agatha Court No. 166, Sandwich, instituted December 3rd.

Pinehurst Court No. 167, Fitchburg, instituted February 5, 1900.

Wachusett Court No. 168, Leominster, instituted February 5th.

Charity Court No. 169, Milford, instituted February 8th.

Westford Court No. 170, Graniteville, instituted February 10th.

Wannalancet Court No. 171, North Chelmsford, instituted February 10th.

St. Ambrose Court No. 172, West Quincy, instituted February 23rd.

Owen A. Galvin Court No. 173, Charlestown, instituted April 17th,

St. Winnifred Court No. 174, Chelsea, instituted April 17th.

Star of the Sea Court No. 175, Marblehead, instituted April 22nd.

While the above list is very gratifying we had hoped it would be larger. Not all our efforts in this direction have been successful owing to hostile influence in some localities.

There have been during the year 2034 applications for membership, 1568 have been accepted and 449 rejected. 152 Courts have increased their membership while 12 have not. The banner Court of the Order in membership is Iona Court No. 10 of Malden, with a membership of 258; the largest increase of membership during the past year has been in Lepanto Court No. 142 of Malden, they having had 67 new applications.

The membership for the past ten years was:—

| | |
|---|---|
| April 1, 1890, - - - 4,450. | April 1, 1895, - - - 7,667. |
| April 1, 1891, - - - 4,875. | April 1, 1896, - - - 8,800. |
| April 1, 1892, - - - 5,400. | April 1, 1897, - - 10,492. |
| April 1, 1893, - - - 6,314. | April 1, 1898, - - 12,175. |
| April 1, 1894, - - 6,800. | April 1, 1899, - - 13,185. |

April 1, 1900, - - - - 14,700.

The admission of women to our Order is no longer an experiment, but I consider it one of the wisest steps ever taken by the Massachusetts Catholic Order of Foresters. There are 44 Courts composed entirely of women and 43 Courts in which they are associated with the men. There are 3,431 women in the Order and since their admission there has been fifty deaths. A little figuring will demonstrate that from a business as well as a social standpoint we were very wise in our day and generation in opening the doors to the women.

The number of deaths since the last Convention have been 119, and the amount paid out $123,000.00. The entire number of deaths since the organization of the Order is 1,243.

A strict medical examination and a proper care for the rules in other respects have made the pecentage of rejections large, and although it may be unpleasant for those who fail in the necessary requirements for membership, the Order must be safe-guarded and its reputation established in the community, by doing business on safe principles.

The assessments during the last financial year, (January 1, 1899 to January 1, 1900) were EIGHT, and it is a question if there is another Fraternal Organization in Massachusetts that has had a similiar experience.

The continual up-building of the Order, together with a strict scrutiny of all applicants, will keep the assessments down, whilst a lack of growth or a want of adherence to the rules that govern the admission of members at the present time, will mean an increase in the number of assessments, such as other neighboring Fraternal Orders have experienced.

At the last Convention the Owen A. Galvin Memorial was referred to the High Standing Committee with power to act, and at the suggestion of the High Court Chaplain, Rev. James H. O'Neil, it was decided to ask the Courts for a voluntary subscription, in the endeavor to raise the sum of FIVE THOUSAND DOLLARS to endow a scholarship in the Brighton Seminary, for the education of Foresters or their sons who may be called to the Priesthood. Every Court in the Order has been invited to contribute, and many generously responded.

We were not unmindful of the fact that our beloved Archbishop is deeply interested in the Seminary and has been a good friend of the Massachusetts Catholic Order of Foresters.

The scholarship shall be known as the Massachusetts Catholic Order of Foresters Scholarship, in Memory of the Late Hon. Owen A. Galvin. 111 Courts have subscribed $3,899.00, and the sum will be presented to his Grace, the Archbishop, at to-night's meeting, with the hope that all the Courts will be counted among

the subscribers within a short time, so that the full sum may be paid to make this a Perpetual Memorial.

The Reserve Fund is now $66,588.90 and it is estimated that in three years it will be $100,000.00.

A Committee has been giving attention to a revision of the Ritual, and will report the result of their efforts to the Convention.

The Finance Committee have examined the books during the past year and will give result of their labors. I would recommend that an expert examination of all books and papers be had at stated periods, say for instance, once in every two years, or whenever a change of the Financial Officer should take place.

The Deputy High Chief Rangers have done good work during the year and it is hoped they will continue. No person should accept the position unless they are determined to do their full duty. Deputies can exert a good influence over the Courts to which they are assigned, and a failure to do their duty is an injury to the Order.

I recommend that the Bond of every Financial Officer in the Order be placed in a Surety Company of good standing.

The labors of the High Standing Committee have increased with the growth of the Order and I suggest that some steps be taken to lighten their burden if possible. It will be a serious question in the future as to whether men can be found who will give the time and energy which the position requires.

And now, my friends, after four years of service on the High Standing Committee, I shall return to the ranks. I have seen the Order grow in these four years from 8,600 member to 14,700 or nearly 6,000 and 46 new Courts.

It is a source of gratification and much pleasure to me that I had an humble part in its prosperity. I wish to testify to the perfect harmony that has existed in the Committee during these four years.

To my colleagues of the past year, I have only words of love and praise; they have been self-sacrificing and ever ready to give their time and efforts for good of our beloved Order.

To you, my Brothers and Sisters, and through you to the Courts you represent, I give my best wishes, your reward and mine will be to see the Order grow and prosper. God grant that it may.

THOMAS F. DOHERTY,

*High Chief Ranger.*

April 25, 1900.

A motion was made that we proceed to the election of officers immediately after dinner, a motion to amend and hold election the last business of the convention, and the amendment upon a vote being taken was defeated. The motion was put and it was voted to proceed to the election of officers immediately after dinner.

The High Chief Ranger then called for the report of the High Medical Examiner, Francis J. McQueeney, which was as follows:—

# Report of High Medical Examiner,

## Dr. FRANCIS J. McQUEENEY.

---

Representatives:—

In pursuance of the custom inaugurated last year of presenting to the convention a resume of the work of the Medical Department of our Order, I have the honor to submit my report for 1899.

Our list of Examiners in the previous years comprised 86 Physicians, in April of 1899 we advanced the number to 93.

Through the occurrence of four vacancies, two due to removal from the State and two by resignation, Dr. Franklin L. Warren was appointed to Bridgewater and the remaining vacancies filled by the selection of Dr. J. J. Mahoney at Adams and Dr. John T. Duggan at Worcester.

The formation of new Courts in localities inconvenient for the regular Examiner, required the additional appointments of Drs. Ellen R. Canney in New Bedford, John P. Treanor in Fall River, Robert Faunce in Sandwich, Herbert H. Lyons in Fitchburg, John E. Walsh in Leominster, Daniel J. Sullivan in Milford, Joseph R. Draper of Westford for the Granitville Court and Thomas F. Harrington of Lowell for the North Chelmsford Court.

The High Standing Committee bearing the fact in mind that the greater the number of applicants sent a Physician, renders the position of Medical Examiner to our Order more valuable as well as desirable, have avoided adding to our corps, preferring to increase the work of its present Doctors. This practice has certainly improved the quality of our examination papers, and also afforded our Examiners proper remuneration.

During the year we have paid 126 Death Claims, 5 less than 1898. The greatest number of deaths, as usual, have been due

to Consumption, thirty-nine (39) being from this cause, seventeen (17) deaths occurred from Disease of the Heart, Kidney Disease caused thirteen (13) deaths, twelve (12) deaths were from Pneumonia, Disease of the Brain and Abdomen were twelve (12) each, seven (7) deaths were Accidental, four (4) deaths caused by Disease of the Liver. Cancer occasioned the loss of three (3) members, and the remaining eight (8) were due to a variety of causes.

We had 216 rejections during the eight months of 1898, this year we refused 398 applicants, the ratio of both years being nearly alike.

The reasons for the rejections of this number were as follows:—

2 refused to be Vaccinated.
6 were suffering from nervous affections.
10 had Hernia.
12 were postponed till 30 years of age.
12 suffered from Diabetes.
14 bad family history.
16 refused to give Information.
27 were of Alcoholic Habits.
28 Disease of the Kidneys.
36 Disease of the Heart.
40 were under or over weight.
42 had Diseases of the Lungs.
43 were in Poor Physical Condition.
61 were beyond the Age Limit.
13 from Miscellaneous Causes.
11 were rejected by the Investigation Committee of the Courts.

This latter cause is one to be encouraged, its development among the Courts through the secret report of the Committee affords our Order protection that no other method possesses.

The deterrent effect of our refusal to accept applicants without thorough inquiry for the correction of their age has resulted in decreasing the number rejected for that cause. In the eight months of 1898, 62 were declined, and only 61 during last year. A somewhat similiar improvement is apparent in the memory of candidates regarding their family history and the cause of death among their relations.

By many of the proposers of new members our careful scrutiny has been harshly as well as unjustly criticised; we believe however that after the annoyance wears off that a rejection occasions, the conduct of our work in the interest of our Order will be better understood.

Rejections are no less disagreeable to the High Standing Committee than they are irritating to the friends of the applicants; of that. our members may be assured.

At the Annual Dinner tendered the Corps of Medical Examiners, we had invited as guests the Medical Directors of the American Legion of Honor, the Royal Arcanum, the American Order of United Workmen and the Brigade Director of the State Militia, Dr. Devine.

The opportunity afforded our Committee at these Annual gatherings of meeting our Examiners upon whom our Order is dependent in so great a degree, is as valuable as it is necessary in the best interest of our Organization.

Personally apart from the inevitable criticism bestowed upon a Medical Director, the year has been a laborious but also a pleasant one in my relations toward the members of my profession.

Some thirty-eight special examinations to clear up doubtful risks were made by me during the year at my office.

The deep interest taken by our Examiners in the Medical work of our Society is agreeable compensation for the large and increasing correspondence entailed upon me.

In conclusion Ladies and Gentlemen of the Twenty-first Annual Convention, allow me to express my thorough appreciation of the devotion and loyalty of my colleagues of the High Standing Committee to the principles involved in the maintenance of the highest possible standard in the insurance work of our Society.

Notwithstanding the injudicious protests of Courts in not appointing their favorite Physician to our Medical Corps, your Committee have had but one object in view, namely, the good of the Order and the protection of its membership.

You have honored me in the past two years by my election as High Medical Examiner, during that period I have neither urged nor suggested the appointment of a personal friend.

In common with the gentlemen of the High Standing Committee I have had but one ambition, the selection of honest competent and fearless Medical Examiners, that the Massachusetts Catholic Order of Foresters may live to continue in its career of perpetuating and maintaining the principles of Unity, Fraternity True Christian Charity.

FRANCIS J. McQUEENEY,

*High Medical Examiner.*

OF THE

# SCHOLARSHIP IN BRIGHTON SEMINARY

TO

# His Grace, Archbishop JOHN J. WILLIAMS.

## Evening Meeting, Boston College Hall, Wednesday, April 25, 1900.

---

Boston College Hall was well filled with Foresters and the meeting was called to order by High Chief Ranger Thomas F. Doherty, at 8.15, who stated in his speech that the occasion was a marked one in the history of the Order and it was a very great pleasure to extend a cordial welcome to his Grace, the Rev. Archbishop John J. Williams, of Boston, and in behalf of the Foresters of Massachusetts he confidently assured him that the occasion was one of the brightest in the history of the Order and particularly so by having him as the guest of the evening.

Musical selections by J. Fred O'Connor's Orchestra and a vocal selection by Thomas E. Clifford followed, after which High Chief Ranger Thomas F. Doherty presented Rev. James H. O'Neil of Rockland, High Court Chaplain, who delivered in a masterly manner the following address:

## ADDRESS OF

## REV. JAMES H. O'NEIL.

Most Reverend and Dearly Beloved Archbishop:

The responsibility of fitly representing fifteen thousand members of the Massachusetts Catholic Order of Foresters is so great that I might shrink from it were it not that my confidence in your kind forbearance and the charitable judgment of my fellow priests and brother Foresters urge it upon me. It is with this feeling that I have accepted this honor.

Twenty-one years ago the first Court of the Massachusetts Catholic Order of Foresters was formed in your own Cathedral parish. From that time to the present moment, its history has been an open and familiar story to you. Its Constitution and By-Laws; the Society's Ritual and Methods; its every effort in the furtherance of Friendship, Unity and Christian Charity: everything has been submitted to your Grace's Episcopal consideration, and it is our highest honor and proudest boast that what has been accomplished has met with your approbation, and that never for an instant have our mutual relations departed one hairs-breadth from those of the truthful and obedient child towards the kindliest and most considerate of fathers.

Indeed to this happy unity, far more than to any machinery of organization we freely acknowledge that the great results which have crowned the Society's efforts are due.

Such being our sentiments and belief, it need not be wondered at, if we could discover no more acceptable means of perpetuating the memory of one who was a faithful Catholic and a most devoted Forester than by seeking to further, in our own poor way, the work that of all works has crowned your years. The Seminary of St. John's at Brighton.

Only God knows how your administration has enriched the Catholic life of Boston and all the State of Massachusetts. Societies, hospitals, orphan asylums, homes for the old, reformatories for the wayward, churches, schools, a thousand things for the elevation and education of your people, your Apostolic interest and fostering care have made first possible and then actual. But the foundation and completion of any one or all of these, their Alpha and Omega, is the Sacred Ministry.

The good priest and the thoroughly equipped priest; here is at once the support of the wall and the key-stone to the arch, and the good priest and the well equipped priest means and necessitates the well supplied and generously endowed Seminary. To bring to pass such an institution you have known no limit to your labor and your sacrifice; a labor and a sacrifice that have fired those privileged to secure God's Altar, and have encouraged your faithful people to work with might and main for this grand end.

Thanks be to God, a main part of the glorious purpose has been realized.

In Brighton there stands the Seminary of St. John; within its walls the young levites are receiving daily their wisdom and that holiness which fit them for the holy work awaiting them in the vineyard of God. There remains but one thing to perfect this institution; it must be fittingly endowed. To this end, your Grace, your Forester children bring you to-night a little offering indeed, but as the widow's mite compared to that which yet must be, withal, like hers, it is our act of fealty, gratitude and faith, and as such we know your love will value it.

May God round out to the full your hope for the Seminary, and may God bless us with your valued guidance for many and many a year yet to be.

Orchestral selections then followed, and a vocal selection by Miss Ellen McLaughlin,

High Chief Ranger Col. Doherty in a happy manner introduced his Grace, Archbishop John J. Williams, who accepted the Scholarship and replied in the following words:

## ADDRESS OF

## ARCHBISHOP JOHN J. WILLIAMS.

"The Organization" he said "I am proud of, for it is one that is a friend to those who need a friend most, and its friendship is shown when friendship is most needed."

"I am happy to think that the members took upon themselves an extra assessment to found a Scholarship at Brighton Seminary."

"Those" he said "who will be benefited by this act of the Order years hence, will go forth into the world, never forgetting the personal sacrifice of the members of the present day, to whom they will owe their education for the Catholic Priesthood."

He expressed the hope that the day would come when the fond hopes of the High Chief Ranger would be realized and that there will be at least one hundred thousand members gathered together for one common cause, Unity, Fraternity and True Christian Charity.

Selections by the orchestra was next on the programme, after which Mayor Thomas N. Hart of Boston was introduced.

## ADDRESS OF THOMAS N. HART, MAYOR OF BOSTON.

Mayor Hart said "He was glad to come to do honor to one of Boston's best known Citizens, a Boston Boy, Archbishop Williams," and spoke in praise of the action of the Order.

Before closing he paid a high tribute to the Late Hon. Owen A. Galvin, though he at one time was a candidate against Mr. Galvin for the office of Mayor of Boston, Mayor Hart said he was glad at this time to say that during that campaign not one word was uttered that would reflect against the character of either candidate.

From that day" continued the Mayor, "Mr. Galvin and myself were friends, and at this time I take the opportunity of saying these few words in memory of Hon. Owen A. Galvin."

High Chief Ranger Col. Thomas F. Doherty then introduced Bartholomew R. Doody, High Chief Ranger elect. Bro. Doody expressed his great satisfaction at being present and rendering homage to his Grace the Archbishop of Boston. "The occasion is one that will live in the history of the Order as being fraught with good results." It was the source of great satisfaction to be present on such a great occasion and will remain a memory to me through life. The Order was prospering, growing in strength, growing in number and growing in all that tends to make it a grand Catholic Institution, and when on an occasion like this we are honored by the presence of his Grace, the most beloved Archbishop of Boston, Rev. John J. Williams, each and every one of us can retire from here with the full satisfaction that our work and our labors are of the highest that we can indulge in.

High Chief Ranger Col. Doherty congratulated all upon the occasion as being one which would long linger in their memories as an epoch in the history of the Order. He thanked them for their zeal and interest which they had shown and by such such a large attendance, assuring his Grace that the Foresters and their children will be ever faithful to the truth and teachings of the Church and merit by their lives and actions to be worthy sons of our Holy Church. He then declared the meeting adjourned.

Lanigan of Cathedral Court No. 1, arose and placed the name of Bro. P. O. Loughlin of St. Joseph Court No. 11, in nomination. Election then took place and resulted as follows:

*Committee on Constitution.*

The Report of the Committee was adopted, except on Amendment No. 18.

Amendment 18. Article—. District Councils. Section 1.

"That the High Chief Ranger, with the advice of the High Standing Committee, shall arrange the Order into districts, according to location, none of which shall consist of more than — Subordinate Courts. The Chief Rangers of the Subordinate Courts of each district shall constitute a District Council for such a district."

This was amended by making the districts not more than 10 Courts nor less than 2.

Sections 2, 3, 4 and 5 were adopted as read.

On motion the vote adopting the foregoing was made to reconsider and on vote was lost. On a final motion the whole matter was referred to the High Standing Committee to complete and adjust.

The Finance Committee reported and they recommended that the Per Capita Tax be placed at $1.00. On motion this was laid over until the others were acted on.

Recommendation No. 2. That the salary of the High Secretary-Treasurer for 1900 be $2,500. ADOPTED.

Recommendation No. 3. That the sum of $1,500 may be used for clerical hire by the High Secretary-Treasurer, under the supervision of the High Standing Committee. ADOPTED.

Recommendation No. 4. That the sum of $500 be appropriated to meet current expenses, to be spent under the supervision of the Board of Trustees. LOST.

Recommendation No. 5. That the Finance Committee, if they deem necessary, have power to employ an expert, under their supervision, to verify their examinations. LOST.

A motion was carried to amend the above, and it was voted that the High Standing Committee have the power to hire an expert instead of the Finance Committee.

On motion the action was taken up on the Per Capita Tax, and an amendment was offered that the Per Capita Tax be made (.75) seventy-five cents instead of $1.00 as recommended by the Committee, which amendment was carried.

Installation of officers was next in order. The High Chief Ranger called on Past High Chief Ranger, Dennis F. O'Sullivan to install the officers, who, upon accepting the position, returned his thanks for the honor conveyed in being selected to install the officers, and assured the Representatives that he felt towards the Order the same zeal and interest that animated him in the early days of the Organization and he hoped that it would continue to increase and grow in numbers and usefulness in the good work it was engaged in. *Representatives:*

In the following pages I herewith submit for your consideration the work performed by the High Standing Committee during the year 1900, and also the financial condition of the Order, which condition merits the praise and congratulation of every member of the Organization, it being most flattering in the substantial results attained by the united efforts of our membership.

The High Standing Committee have been in full session every week during the year with an attendance large and zealous that every consideration that could be given to the advancement of the Order should receive their earnest and constant attention.

In addition to the attendance at regular meetings the Committee have, as a body, and individuals, visited a large number of Courts and addressed them in Public Meetings on the good work we are engaged in and the noble results that have been accomplished by our united efforts.

The Committee report with pleasure that during the year they have organized the following Courts composed of the number of members attached, all of whom cheerfully testify to their zeal and interest in the work they have enlisted in.

## Courts Formed During the Year 1900.

Pinehurst Court No. 167, Fitchburg, Mass., organized February 5, with 30 charter members, average age 35 years, 6 months.

Wachusett Court No. 168, Leominster, Mass., organized February 5, with 13 charter members, average age 36 years, 2 months.

Charity Court No. 169, Milford, Mass., organized February 8, with 30 charter members, average age 30 years, 1 month.

Westford Court No. 170, Graniteville, Mass., organized February 10, with 15 charter members, average age 36 years, 8 months,

Wannalancet Court No. 171, North Chelmsford, Mass., organized February 10, with 17 charter members, average age 33 years, 6 months.

St. Ambrose Court 172, West Quincy, organized February 23, with 16 charter members, average age 31 years, 8 months.

Owen A. Galvin Court No. 173, Charlestown, Mass., organized April 17, with 28 charter members, average age 30 years, 8 months.

St. Winnifred Court No. 174, Chelsea, Mass., organized April 17, with 18 charter members, average age 35 years, 4 months.

Star of the Sea Court No. 175, Marblehead, Mass., organized April 22, with 15 charter members, average age 35 years, 5 months.

Montcalm Court No. 176, West Gardner, Mass., organized May 6, with 17 charter members, average age 28 years, 2 months.

Suspended for non-payment of Call 166 and remains suspended.

Father Police Court No. 177, Boston, Mass., organized June 4, with 17 charter members, average age 29 years, 7 months.

Fallon Court No. 178, Attleboro, Mass., organized June 8, with 18 charter members, average age 30 years, 9 months.

Father McNulty Court No. 179, Brockton, Mass., organized July 11, with 53 charter members, average age 33 years, 3 months.

Neponset Court No. 180, Neponset, Mass., Organized August 16, with 37 charter members, average age 32 years, 3 months.

St. Louise Court No. 181, Neponset, Mass., organized October 19, with 16 charter members, average age 39 years, 5 Months.

It is with regret that I report the loss of two courts during the year, one being Shiel Court No. 35, the cause being the moving of members to other parts of the city and consequently a falling off in membership, the whole finally surrendering their charter, taking withdrawal cards for other Courts.

The second Court being Montcalm Court No. 176, a new Court organized May 6, they having failed to pay Call No. 166 was duly suspended and notice sent to the Courts of the Order of said suspension.

The total number of applications received during the year 1900 was 2,350, of which there were approved 1,791 a large per cent. of whom were admitted. The growth of the Order for the year, deducting deaths, withdrawals and suspensions being 1,122 making a total of 14,943 on Call 171, expiring on December 20th, 1900.

The number of deaths paid during the year was 152, of which 13 were brought over from 1899. The number of deaths remaining unpaid at the commencement of 1901 were two.

The balance in bank and office to the credit of the Mortuary Fund being the sum total of $12,625.24.

The deaths (141) occurring during the year 1900, show a rate running close to 10 to the 1,000 members, a very low death rate when we consider our Order as being 21 years old.

On page 22 the reports from the Courts of the average age of the Order in their jurisdiction is a matter of record and is a study for the members to look into and act upon. Every member should make an effort to keep the age as young as possible and by that means keep the death rate low and the assessments small.

On page 16 will be found the total mortality occurring during the year, together with 13 deaths brought over from the previous year of 1899. From a scrutiny of the contents we can learn the causes that we battle against and we are taught a lesson on the uncertainty of life and the necessity of being at all times prepared for the great hereafter. To none of this vast list, one year ago, had the thought of being called next; yet a loving God so ordered, and the lesson should be ever before us, that we know not when the summons will come, but try and be prepared for it.

On page 13 the report of the Trustees of the Emergency Fund is entered in full to January 1, 1901, and congratulations are hereby extended to the membership of the Order for the splendid showing that the fund makes—$76,884.09. Such meritorious work tends to strengthen and make permanent the Organization we so love and serve. God grant a continuance of its growth till it reaches the sum of $500,000 is the earnest prayer of your High Secretary-Treasurer.

In closing this general report permit me to return my heartfelt thanks to all members whom I have had occasion to meet for their universal kindness and treatment on all occasions, and for which I have the kindest and most loving memories, and pray that the choicest blessings of a loving God may fall upon them from an unstinted hand.

Respectfully submitted,

JAMES J. McLAUGHLIN,

*High Secretary-Treasurer.*

## Address of High Chief Ranger

## BARTHOLOMEW R. DOODY.

*To the Representatives of the Massachusetts Catholic Order of Foresters:*

Sisters and Brothers:

I welcome you to this our Twenty-Second Annual Convention.

The character and ability of the Representatives to all former conventions has given annual assurance of the stability and succes of our Organization and the present magnificent gathering is no exception in this respect.

The success of our Organization is assured so long as we are able to bring together for the purpose of transacting the business of our Order a body of Representatives having your integrity, ability and experience.

During the year all that could reasonably be expected has been accomplished, and I am pleased to say that in consequence our Order has prospered in every way. It has kept unbroken its record of faithful and full performance of every promise; it has fulfilled every obligation; it has added largely to its membership and its finances; it has grown in the confidence of the conservative people of this Commonwealth, and is today one of the safest and best Fraternal Insurance Organizations in the country.

From January 1, 1900, to December 31, 1900, 2,350 applications for membership were received. Of this number 1,791 were accepted and 559 rejected. From January 1, 1901, to date 739 applications have been received of which number 617 were accepted and 122 rejected, an average of nearly two hundred applications a month.

New Courts have been instituted since the last Annual Convention as follows:

Montcalm 176, West Gardner, instituted May 6, 1900, with 17 charter members, average age 28 years, 2 months.

Father Police 177, Boston, (French) instituted June 4, 1900, with 17 charter members, average age 29 years, 7 months.

Fallon 178, Attleboro, instituted June 8, 1900, with 18 charter members, average age 30 years, 9 months.

Father McNulty, 179, Montello, Brockton, instituted July 11, 1900, with 53 charter members, average age 33 years, 3 months.

Neponset 180, Neponset, instituted August 16, 1900, with 37 charter members, average age 32 years, 3 months.

St. Louise 181, Neponset, instituted October 19, 1900, with 16 charter members, average age 39 years, 5 months.

Hingham 182, Hingham, instituted April 3, 1901, with 14 charter members, average age 35 years, 4 months.

Two Courts have been suspended during the year.

Public meetings have been held in many of the cities and towns in the state. I am pleased to say that good results have followed these meetings, and I recommend that they be repeated from time to time. As a wise, progressive and well managed business house advertises its wares and keeps itself in the public mind so must we keep our Organization and its work constantly before our people, and I know of no better way to do this than by means of well advertised public meetings. Whenever such meetings are undertaken every member should show his interest not only by attending himself but also by urging his friends to do likewise. The degree of success to be attained by our Organization must come in the future as it has in the

past, not alone through the efforts of your High Standing Committee, nor through the efforts of your local Court officers or your deputies, but through the united efforts of our entire membership. Each individual member has a power for doing good and each one is in duty bound, in justice to his fellow members, to exercise that power to the extent at least called for by his obligation. No matter how earnest or active your High Standing Committee may be the fullest measure of success can be secured only through the earnest, active, co-operation of all.

I ask you, therefore, to go back to your respective Courts when this convention closes and exhort our members one and all to give to our Organization during the coming year that earnest and active support so necessary to that degree of success of which our Organization is so well worthy.

At the last Annual Convention the proposal to establish District Councils was referred to the High Standing Committee. The Committee decided to take no action on the matter this year; their reason was a financial one: it was clearly seen that if the district system were to be established it WOULD entail considerable expense for establishing and maintaining it; to be of service, frequent regular meetings of the District Councils should be held, necessitating a large outlay for hall rents, travelling expenses, etc.

Your Committee did not have at its disposal any money for this purpose, indeed, the Committee saw clearly that this year, as well as for several years past, there would be a deficit in the general fund.

I would like to call your attention specially to this matter of deficits in this fund. Last year the general fund was not large enough to meet the running expenses, so that to maintain the credit of the Order the High Standing Committee borrowed $2,000 from the Trustees. This amount was paid back to the Trustees in August, when the Per Capita Tax for the year was received.

We find ourselves confronted with the same financial condition this year. Though we have had an economical administration

there will be a deficit of from $1,000 to $1,500 by August next. I wish to urge strongly upon the Convention that this is not a proper condition of things. The funds in the Trustees' hands should never be touched except for "payment of emergency mortuary benefits." Not a dollar of the Emergency Fund should ever be appropriated for any purpose whatever outside of the legitimate use of the fund as provided in the Constitution. Any condition of our finances that makes it necessary to draw a dollar of this fund, even for temporary use, is a dangerous condition. We were forced last year, against our will, to draw on this fund to maintain the credit of the Order.

To guard against any necessity of doing again what should never be done, I recommend that the Per Capita Tax be $1 for the coming year.

The Finance Committee recommended to the Convention of last year to make the Per Capita Tax $1. If that recommendation had been adopted your Committee would have no deficit to trouble them or report to you this year.

I regret to have to report to you that the Scholarship Fund is still incomplete. Yet it is pleasant to think it needs but to be called to your attention, it is a Fund in which we all may take honest pride and from which we devoutly trust many spiritual blessings shall come to us, our families and the community at large.

Surely the Order may well take pride in the fact that we are the first Catholic body to found a scholarship in the Seminary at Brighton. You will recall with pleasure the honor which His Grace the Most Reverend Archbishop did us a year ago in meeting us at Boston College Hall. He was pleased to accept the scholarship and in so doing spoke words of hearty praise of the work which the Order has done. This was a singular honor done us by the highest representative of the Church in New England, and I know that as a body we have appreciated it. It remains now to fulfil the promise we then made. As the promise of a scholarship was specially creditable to us, undue delay in fulfilling that promise would be discreditable.

I trust you will attend to it at once. I am sure my successor will be glad to congratulate you on the completion of the Fund at the next Convention.

With a sense of their responsibility in regard to the business affairs of the Order, the High Standing Committee thought it well during the past year to have a careful examination made, by an expert accountant, of the books and accounts of our High Standing Committee for the entire time during which the present Treasurer has held the office. It gives me pleasure to state that the accountant reports the books and accounts have been correctly and carefully kept, and that everything is in a satisfactory condition.

The stability of our Organization depends on its resources, these should be increased from year to year that we may have increasing confidence in the Order, things are now prospering with us, and we should make hay while the sun shines.

The Emergency Fund should be largely increased. It is gratifying to report that including interest it is increasing about $11,000 a year. It would be very bad policy for many years to come to take any steps to reduce this increase. It should be more rather than less. In this fund lies the future strength and safety of our Order.

It is well to bring about closer relations between the High Standing Committee and Subordinate Courts, and so encourage more interest in the Order, with a view to that end, I recommend that the High Standing Committee send every month a news sheet to all Subordinate Courts, that they may know better whatever concerns the Order. This news sheet could be prepared and manifolded at headquarters and sent out with ordinary assessment calls, entailing little expense.

I feel I should not be doing my full duty to the Order did I confine my remarks to its immediate wants. I have taken this occasion therefore to make some general recommendations suggested by my experience as wise and prudent.

And now I am to retire as High Chief Ranger of this Organization. In committing the charge of your affairs into the

hands of my successor I shall offer him my hearty congratulations. I feel sure that he will regard it, as I regarded my election a year ago, as a great honor. It is an HONOR to be High Chief Ranger of this body. We have other Catholic bodies in the state, I have regard for them all, but I wish to say here publicly that this Organization compares more than favorably with any of them, in having a large representation of what is best in our people.

I have been up and down the state and have been brought in close contact with the rank and file of the Massachusetts Catholic Order of Foresters, and I can testify from my personal knowledge that the Foresters represent largely the most sterling qualities of our people.

It is a pleasure to state that wherever I have gone I have been received with a warm welcome and the kindest possible treatment has been given me by our members, for this I am deeply grateful.

There are some regrets which I wish to express: A regret that I am leaving such pleasant associations, and a regret that I have not been able to do more for the Organization.

I have had a full sense of the responsibility as I had a deep appreciation of the honor done me, by the unanimous election given me a year ago. I promised then to be faithful to the responsibility, I think I have been so, though other cares have pressed me very much, making it impossible to give as much time to the office as I would have wished to give.

It is a pleasure to thank the Deputy High Chief Rangers for the courtesies extended to me on every hand, my work was made easy and enjoyable by their courteous co-operation.

I have also to extend special thanks to the members of the High Standing Committee, they have been my close associates, I have found them courteous and helpful, they know whether I have done my duty or not. I am glad to think that whatever their appreciation of my work may be, they at least recognize that I have given the Order disinterested, honest service.

I thank them again for their kindness to me. I retire from office, to continue active membership and loyal interest in the Massachusetts Catholic Order of Foresters.

Long may it live to do ever increasing beneficent work, a blessing to the community.

The report of the High Medical Examiner, Francis J. McQueeney, was then read as follows:

# REPORT OF

# FRANCIS J. McQUEENEY, M. D.,

## HIGH MEDICAL EXAMINER.

Boston, April 24, 1901.

Ladies and Gentlemen of the Twenty-second Annual Convention:

I have the honor of submitting for your consideration the third annual report of the doings of the Medical Department of your Order.

The number of physicians comprising our Corps of Medical Examiners consisted of 93 last year. Notwithstanding the formation of many new Courts since then, we have at the present time a similar number of examining physicians.

For the good of the service, changes were made in five former examiners, and Doctors Elizabeth A. Brackett, George R. Spooner, Mary E. Noonan and Loretta K. Cavanagh were selected to fill the vacancies.

During the year the disbandment of two Courts together with the resignation of four examiners, reduced the number of physicians and required the appointment of Doctors Albertus K. Boardman at Bridgewater, Francis J. Sexton at North Easton, W. Franklin Holmes at Randolph and J. Putnam Morrill at Chelsea.

In accordance with the usual excellent policy of the High Standing Committee the new Courts which have been organized were distributed among our old examiners, Doctors Sheahan of Quincy, McDermott of Salem, O'Toole of Charlestown, McCarthy of Brockton, Merrick of Neponset, Graham of Dorchester, Werner of Boston and Vance of North Attleboro. The new Court at Hingham was assigned to Dr. J. Winthrop Spooner.

Our belief that lady physicians offer many advantages to our Society in the delicate duty of examining female applicants, has resulted this year in the appointment of six ladies, the largest number in the history of our Organization.

There is evidently little doubt that competent women doctors, not afflicted with the desire to ape the opposite sex in their mannerisms are certainly appreciated by the applicants among our Catholic women.

The custom of reappointing our examiners each year, if they merit the confidence of the High Standing Committee, has been productive of excellent results.

The knowledge that changes will not be made without cause and that the position of Medical Examiner to our Order is permanent and not dependent either upon influence or friendship, encourages our physicians to do their duty to our Society.

In advising the appointment of examiners, they agree with me, that if they do not perform their duties satisfactorily, their connection with our Order may be terminated at once. In three years I have had on only one occasion to apply this rule.

During the year 1900 we have paid one hundred and fifty-two (152) death claims, 26 more than in 1899. In line with the warning I have already given, 54 of this number were between 50 and 84 years of age. We must therefore expect each year an increasing death rate among members who have been 18 to 22 years in our Order and admitted late in life.

The causes of death are headed, as in all other Insurance Societies by consumption. This dreaded disease cost us 38 deaths, seven women and 31 men, the average membership of the women having been nearly four years and their ages slightly over 35 years; of the men their membership averaged something over 10 years and their ages over 45 years.

Heart disease was the second highest cause of death, emphasizing in the loss of 22 men to but one woman, how greatly the labors of the former affect their health in comparison with the uneventful life of the latter.

The average age of the men was 48 1-2 years and length of time in the Order over 10 years.

Bright's disease was the third highest in the list and caused the deaths of two women and 12 men. Accidental deaths caused the loss of 13 men. Pneumonia follows next occasioning the death of one woman and 11 men.

Disease of the brain, cancer and miscellaneous diseases stand sixth in the causes of death, with 10 in each class. A peculiar happening this year, was the occurrence of eight deaths from cancer among men, to two occurring in women.

Disease of the liver, typhoid fever and complications of childbirth caused five deaths each. The five deaths from typhoid fever were confined entirely to male members.

We had three deaths due to insanity among men, and one death each ascribed to disease of the stomach, diphtheria, post operative and old age.

In comparison with 1899 it is interesting to note that the percentage of deaths from consumption, heart, kidney disease and pneumonia in 1900, is less than the previous years.

We have had during the year 1900, 2461 applications to our Order, of which number 559 were rejected. At first glance the number of rejections appear out of proportion with the previous year, but there is actually only about 1 percent difference in the proportion of both years . This is interesting as showing how evenly the work of your Medical Department is being conducted. The number of applicants approved this year exceeded by 154 the whole number of accepted and rejected applicants last year. Judging from these statistics, our Society is evidently appealing to the sound business and common sense of our community.

Up to the final meeting of this term of your High Standing Committee, on last Monday night, we have passed upon 782 applications to the Order, an average of seven each day this year.

As during the two previous years, of the 559 rejected applications in 1900, diseases of the lungs occupies the leading position among the causes of rejections. Diseases of the heart next, and age third. This latter cause should be eliminated from among the reasons for our refusal to accept applicants. Mis-statements as high as 10 years, have been made in the applications for 1900.

Giving in detail the reasons for rejections and the diseases existing among our applicants, we have:

| | Women. | Men. | Total. |
|---|---|---|---|
| Diseases of the lungs | 74 | 35 | 109 |
| Diseases of the heart | 29 | 45 | 74 |
| Age above limit | 40 | 27 | 67 |
| Poor personal condition | 42 | 20 | 62 |
| Under and over weight | 31 | 9 | 40 |
| Diseases of the kidneys | 15 | 25 | 40 |
| Poor family history and personal condition | 19 | 15 | 34 |
| Alcoholic habits | 5 | 17 | 22 |
| Alcoholic habits and hazardous occupations | 0 | 21 | 21 |
| Disease of the liver | 13 | 3 | 16 |
| Poor family history | 6 | 8 | 14 |
| Hernia | 2 | 10 | 12 |
| Postponed till 30 years old | 6 | 5 | 11 |
| Refused to give information | 7 | 3 | 10 |
| Defects, hearing, eyesight, etc | 7 | 2 | 9 |
| Refused to be vaccinated | 3 | 5 | 8 |
| Rejected by Investigating Committee | 1 | 4 | 5 |
| Hazardous occupations | 0 | 5 | 5 |
| | 300 | 259 | 559 |

Many members who have not given the matter careful consideration, are unable to understand the causes enumerated above, and oftentimes reach an unjust conclusion regarding the rejection of their friends or relatives.

As you are well aware consumption leads the list of losses among all insurance companies, our own included. From carefully compiled statistics we know the liability to this disease is greatest among applicants in whose families consumption has occurred. We also know that the disease is more to be feared before middle life, after 30 years of age the danger diminishes as one grows older. Robust health at time of the examination is a protection, but not an absolute certainty against acquiring this disease.

It is an accepted fact that low weighted applicants are the ones in whom consumption is most likely to occur.

Practically 50 percent of the deaths from this disease occur in low weighted applicants under 30 years, with a doubtful family history.

Extreme care must also be exercised in the inquiries regarding the habits of applicants. Liquor dealers and bartenders are only accepted in regular Life Insurance Companies by adding five or more years to their premium rate. We cannot do this in our Order, neither have we the Surplus or Reserve Fund to gamble on hazardous risks. For that reason a list of hazardous occupations are printed upon all our blanks and there is no need of displaying a spirit of obstinacy in proposing this class of candidates.

There is without doubt, plenty of excellent insurance material among the Catholics of our State without trying to load your Order up with applicants who do not, who cannot, and who will not, comply with our requirements.

While discussing rejections I wish to express my obligations to the many members who have furnished me information which has protected our Society against the admission of undesirable applicants.

In cases where early deaths occur among members who have been a year and one half or less in the Order, a written report and explanation of the deaths is requested from the medical examiner. With one exception, our doctors have courteously complied with our wishes. The doctor who is the exception, is no longer examining for our Society.

Of the early deaths among those paid in 1900, one a mother, was due to natural causes, the examiner submitting an excellent report upon the case; another was a chronic asthmatic whose condition as is frequently the case, was good at the time of examination, together with his denial of any previous illness. One was due to apoplexy, another to acute Bright's disease following exposure and the last one caused by an accident in bicycle racing.

Speaking of early deaths, reminds me that of the 27 Courts organized during the past three years of my occupancy of the position of High Medical Examiner, only three deaths have occurred in these Courts, one a pneumonia of a few days' illness, the other

an acute disease of the liver and the third a rapid form of consumption in a man whose examination was normal at the time of his admission. In both of these last mentioned cases, a report was required from the examiners and cheerfully submitted.

Trusting that you will pardon me for referring again, this year, to the matter, may I urge that the pernicious practice of endeavoring to force upon your committee the appointment of popular physicians as examiners to our Order should cease. Our custom is and always has been, to select members of the Order in the first instance, and Catholic doctors if possible, in the second, provided that they have the qualifications necessary to fill the position, otherwise they will not receive the requisite approval. We have been criticised for not selecting physicians, many of whom have been discredited by other insurance companies for incompetency and other excellent reasons.

One of the most interesting dinners of our Medical Examiners was held this year. As our guests, we had a number of specialists in diseases not familiar to general practitioners and of great importance in insurance work.

Dr. Twombly spoke interestingly upon diseases of women; Surgeon Bossidy of the City Hospital, upon the eye and its relations to insurance; Dr. Thompson of the Provident Life Insurance of Philadelphia, upon the heart and lungs; Dr. Macdonald of the Carney and St. Elizabeth Hospitals, on skin diseases in insurance, and Dr. Harris, the medical examiner of this county, upon post mortem examinations applied to insurance risks.

In conclusion, may I express the opinion that it is unfortunate that an executive position, such as I occupy, is a yearly elective one. It would be far better for the interests of our Society, if it could be otherwise, the incumbent to remain as long as he performed the duties of his office competently, honestly and fearlessly. The misdirected efforts therefore, of some of our members to desire a pliable, spineless medical executive would be rendered impossible, and the supreme importance of sustaining and not decrying the independence of an official more fully recognized.

Personally, I wish to express my gratitude to your High Standing Committee for the consistent and courageous support they have given me in conducting the medical affairs of your Society.

I trust, for the maintenance of this grand and leading Catholic Insurance Organization of ours in the Old Bay State, that your selection of officials may always be made for the greater good, the undoubted benefit and the continued and enduring success of the Massachusetts Catholic Order of Foresters.

Respectfully submitted,

FRANCIS J. McQUEENEY, M. D.,
High Medical Examiner.

The Committee on Petitions having received no applications reported no work done.

The Committee on Good of the Order had nothing to report.

The recommendations of the Finance Committee were taken up.

At this time a motion was made that the Convention adjourn for dinner. Carried.

# AFTERNOON SESSION.

# Report of the High Secretary-Treasurer,

For the Term Ending December 31, 1901.

---

*To the Representatives of the Massachusetts Catholic Order of Foresters, assembled in the Twenty-Third Annual Session of the High Court, April 23, 1902.*

Representatives:—

In accordance with the provisions of Section 6, Article VII, of the High Court Constitution, I have the honor to submit for your consideration a detailed statement of the business transacted by the High Standing Committee and this office for the term ending December 31, 1901.

The High Standing Committee have held forty-seven meetings during the year with an average attendance of eighty-six per cent. In addition to their attendance at regular meetings, the committee have, as a body and as individuals, visited one hundred and thirty-four Courts of the Order, and by their presence have stimulated the interest that has brought about such excellent work during the year.

## New Courts.

The following Subordinate Courts have been organized and instituted during the past year.

Hingham Court No. 182, Hingham, instituted April 3, with eighteen, (18), charter members, the average age being 33 years, 2 months.

St. Mariam Court, No. 183, Whitman, instituted June 4, with twenty-eight, (28), charter members, the average age being 32 years.

St. Phillip Court, No. 184. Boston, instituted August 2, with sixteen, (16), charter members, the average age being 32 years, 8 months.

St. Stanislaus Kostka Court. No. 185, South Boston, instituted November 17, with fifteen, (15), charter members, the average age being 33 years, 2 months.

McDermott Court, No. 186, Springfield, instituted December 15, with twenty-nine, (29), charter members, the average age being 27 years, 11 months.

## Membership.

The reports submitted by the Order to the Insurance Commissioner of Massachusetts, from January 1, 1895 to January 1, 1902, inclusive, show the membership to have been as follows:

| | |
|---|---|
| January 1, 1895 - - - - - | 7,186. |
| January 1, 1896 - - - - - | 8,504. |
| January 1, 1897 - - - - - | 10,067. |
| January 1, 1898 - - - - - | 11,476. |
| January 1, 1899 - - - - - | 12,876. |
| January 1, 1900 - - - - - | 13,839. |
| January 1, 1901 - - - - - | 14,943. |
| January 1, 1902 - - - - - | 16,296. |

The membership of the Order on January 1, 1902, was composed of 4,361 woman and 11,935 men.

The membership by classes was as follows:

| | | | |
|---|---|---|---|
| 90 Cents - | 2,844. | $1.20 - | 2,980. |
| $1.00 - - | 3,512. | $1.30 - | 2,085. |
| $1.10 - - | 3,501. | $1.50 - | 1,374. |
| | | Total | 16,296 |

The number of applications received during the year was 2174

Of this number 1,807 applications were approved, 1,776 being admitted to membership.

The number of suspensions and resignations, less reinstatements, was 242, and the number of deaths 181, making a total loss of 423 members. The net gain during the year was 1,353 members. The table of membership by Courts on page 24, indicates the membership on January 1, 1901 and 1902, with the gain and loss in each Court, and to it your attention is respectfully called, as it presents thought for study in determining where the apparant and actual interest in the Order is displayed.

The average age of applicants admitted in 1901 was 31.7 years.

The aggregate age of the 16,296 members of the Order was 634,482 years, and their average age was 38 years and 11 months.

The number of Mortuary Assessments during the year was ten, (10), the assessments being Calls 172 to 181 inclusive, yielding the sum of $176,465.80.

The amount collected on the last assessment of the year, Call 181, was $18,360.90.

## Deaths.

The number of Mortuary Benefits unpaid January 1, 1901, was two, (2), and the number of deaths that occurred during the year was one hundred and eighty-one, (181). The Mortuary Benefits paid during the year amounted to one hundred and seventy-three, (173). There were unpaid January 1, 1902, ten, (10), four of them being because the death cetificates were not filed until after January 1st.

The average time of payment of the Mortuary Benefits on the deaths of 171 members who died during 1901 was thirty days.

The average length of membership of members who died in 1901 was nine years, and the average age at death was 45 years.

The number of deaths amongst the woman members, since their admission to the Order in 1894, has been eighty-seven, (87).

## Finances.

A daily cash balance, which works admirably, enables the Order to ascertain at the close of each day's business the amount of its credit in each of the Trust Companies where the business is done, and the amount of money in the office of each denomination, even to the number of pennies.

A very good audit of the receipts of the office has been effected through the Treasurers of Courts. Statements of the receipts semi-annually are sent to them, with a request that they be signed if found correct, which has been usually done with notations. This audit, while a little in the rough to begin with, can be improved upon and should be encouraged as a good business proposition.

To obtain a perfect audit, all moneys sent to this office should be sent through the Financial Officers of Subordinate Courts. It has been the custom in some Courts to transmit High Medical Fees through the Recording Secretary, and in some Courts through the local Medical Examiner. Benefit certificates and badges are procured in a similar manner by many of the Courts. The result is that when statements are forwarded to the Treasurers of Courts they are not able to properly audit and account for them.

If all supplies could be ordered by members through the Financial Secretaries of their Courts, and the money transmitted through the Treasurers, like other funds, it would be possible to perfect the system of accurate auditing.

On page 10 will be found a statement of the payments to this office from each Court on account of the different funds, and it is respectfully suggested that the officers and members of each Court scan them closely as to their correctness. In Courts where all payments have not come through the Treasurers, the supplies and total payments would exceed the footings of the Treasurers books. All payments made after December 31, 1901, are credited to the year 1902, even though due in 1901.

The expenditures on account of the General Fund for 1901 were $165.24 less than during the previous year, and the balance on hand January 1, 1902, amounting to $6,253.46, was $927.25 greater than on January 1, 1901.

On page 19 the report of the the Trustees of the Emergency Fund is given, showing the total amount in this fund to be $89,152.43.

Circulars have been issued with each Assessment Call sent out from this office, giving information concering the workings of the Order and suggestions relative to the general good, and they have been universally acceptable.

The average cost for insurance per member in the Order, from the year 1895 to the year 1901 inclusive, has been as follows:

| | |
|---|---|
| 1895, | $11.82 |
| 1896, | 10.77 |
| 1897, | 9.56 |
| 1898, | 11.09 |
| 1899, | 9.07 |
| 1900, | 11.34 |
| 1901, | 11.31 |

The Insurance Commissioner of Massachusetts insists upon our compliance with the provisions of Section 11, Chapter 442, Massachusetts Acts of 1899 (superseded by Chapter 422, Acts of 1901), and amendments to our Constitution in accordance with the requirements of these provisions have been prepared, and will be submitted for action to the Twenty-third Annual Session of the High Court.

Kindly appreciating the many courtesies extended to me by the High Standing Committee, Deputy High Chief Rangers, and Officers and members of Subordinate Courts generally, this report is,

Respectfully submitted,

JOHN J. LEONARD,

*High Secretary-Treasurer.*

To the Officers and Representatives of the Massachusetts Catholic Order of Foresters in Convention Assembled.

Delegates:—In accordance with the Laws and customs that have heretofore prevailed, I herewith submit to you my report in reference to those matters devolving upon me in the performance of my official duties during the past year. I shall not go into details further than to state in a general way, what has been done by myself and the other members of the Committee and present such facts as may enable you to appreciate the present condition of the Order, and offer such recommendations as experience has demonstrated will advance the future prosperity of our Association.

The past year may be truthfully termed one of harmony and good feeling. No difficulties have arisen that have worked to the detriment of the Order, our energies should be devoted to the building up of the weaker Courts, and to the careful consideration of such questions as will tend to strengthen and expand the future usefulness of the Order.

190 Henry S. Lee Court of Springfield.....Apr. 20, 1902, 54 members

The membership of the Order January 1, 1901, was 14,943, and January 1, 1902, 16,296.

Composed of 11,935 men and 4,361 women.

A net gain for the year of 1,353 members or about 9 per cent.

The number of applications received since January 1 was 965, of this number 816 were approved.

The number of candidates initiated up to April 22, 1902, was 767; the number of deaths, suspensions and resignations 143, which would make the present membership 16,920, or a net gain since January 1, 1902, of 624.

The steady increase of membership is more convincing than words of mine of the confidence of our people in the stability of the Order.

Number of Calls during the year 10.

| | | |
|---|---|---|
| Amount realized | $176,465.80 | |
| Amount paid | 173,250.00 | |
| | | $3,215.80 |
| Interest | | 145.59 |
| Receipts over payments | | $3,361.39 |

Number of deaths during the year 181, or a fraction over 11 to 1,000.

## RESERVE FUND.

In 1889 a Law was passed creating a Reserve, or as now known, an Emergency Fund.

| | |
|---|---|
| On the first Call we realized | $2,056.49 |
| Interest | 8.52 |
| Total | $2,065.01 |

When we compare that modest sum to the amount turned over to the Trustees during the year 1901, it will give us some conception of how fast we are accumulating a Fund which will enable us to meet our future obligations.

| | |
|---|---|
| From the Order | $9,088.00 |
| Interest | 3,180.34 |
| Total | $12,268.34 |

The interest alone of the present year exceeds the first Call and Interest by $1,115.33. The total amount, as you will learn from the Report of the Trustees, January 1, 1902, was $89,152.43, most of which is invested in Real Estate Mortgages. At the present rate of growth of this Fund, it should exceed in ten years from now $250,000. I wish it were $500,000, however, instead.

## REVISED LAWS OF MASSACHUSETTS.

Chapter 119, Section 7 (beginning with line 22) read as follows:—

Such Emergency Fund shall be invested in securities in which Insurance Companies may invest their Capital, but a part thereof, not exceeding twenty per cent, may be invested in a building for use and occupancy by the Corporation as its home office, within this Commonwealth; under this Statute we can invest at the present time about TWENTY THOUSAND DOLLARS of our Emergency Fund, and I know of no better or safer use to apply it to than in an office building in the centre of this great and prosperous City, where desirable Realty Investments are slowly but surely enhancing in value. A building of this description would show the thrift and enterprise of the management of our Order, and would commend it to the Community as a Society worthy of membership. Most all our applications are at the present time exposed on shelves at Headquarters, and I feel that I would not be performing my duty without calling your attention to this state of affairs and place the responsibility where it belongs.

## TO CELEBRATE THE 25th ANNIVERSARY OF THE ORDER IN SOME SUITABLE MANNER.

The 25th Anniversary of the Order will take place two years from now, and I most earnestly recommend that it be celebrated in some suitable and general manner. I call your attention to it at this time that a special Committee may be appointed to report to the next Convention in what manner would be most appropriate to have it held, and then the Convention would be able to change it if necessary and give the Committee at that time full power to carrry out the will of the Convention; to avoid incurring expense the Convention might well leave the matter to the incoming Executive Council to report to the next Convention, manner and form of celebration.

## SCHOLARSHIP.

Some three years ago, under the able administration of Colonel Doherty, a Scholarship was created in the Brighton Seminary known as the Massachusetts Catholic Order of Foresters Scholarship. The Order pledged $5,000 to this Fund, $4,000 of it was raised without any great difficulty, but there still remains a balance due of $665 which we have not been able to collect, although we have made several appeals to Courts that have not contributed; it is voluntary, to be sure, but the good name of the Order is at stake, and I trust you will not adjourn till you devise means for its prompt payment. This Scholarship has done more to enable us to secure the approval of the Clergy than five times the amount would have done in any other direction. Let us see to it that we merit their confidence by meeting this obligation forthwith.

The future of this Order depends, in a great measure, upon the work of Medical Examiners in the admission of members.

The thought naturally suggests itself that a just and conscientious man should always be chosen as High Medical Examiner of the Order, and so long as this Order can secure the services of a man with the character of Dr. McQueeney its success in this direction is assured.

THANKS FOR FAITHFUL CO-OPERATION.

Before closing I desire to sincerely thank all the members of the High Standing Committee for the loyal service they have rendered the Order during the past year; they have been ever ready to serve where duty called them, and a more faithful body of men I have never met. I wish them, one and all, a long, honorable and useful life. I desire also to thank the different Courts through you for their able and intelligent assistance.

Through the efforts of our High Secretary-Treasurer and his friends, we have been able to institute four new Courts in the western part of the State, namely: two in Springfield and two in Holyoke. The order can congratulate itself upon having a man of the clerical capacity and reputation of Major Leonard as Secretary-Treasurer. I sincerely trust that they may be able to retain his services for many years.

Let us, then, to-day approach the problems that confront us in a spirit of Amity, let all our efforts be to strengthen our beloved Order, remember all our interests are common. Let us be kind in speech and manner to all; and if we be true to ourselves, thousands yet unborn will bless us and a loving God will reward us for our efforts.

I now declare this meeting open for its appropriate business, and the dissemination of Fraternity, Unity and True Christian Charity.

DANIEL A. CRONIN,
High Chief Ranger.

On motion of High Outside Sentinel Dennis D. Driscoll, seconded by Bro. Robert Dwyer of St. Michael Court No. 70, the report of the High Chief Ranger was referred to a Committee of five (5), and when appointed consisted of

## REPORT OF HIGH MEDICAL EXAMINER

# Dr. FRANCIS J. McQUEENEY.

BOSTON, MASS., April 23, 1902.

Ladies and Gentlemen of the Twenty-third Annual Convention:—

The honor has been accorded me of again presenting for your consideration the annual report of your Medical Department, during the twenty-third year of the existence of the Order.

Our Medical Corps last year numbered NINETY-THREE Physicians and to-day, notwithstanding changes and the formation of new Courts, we have not increased the list of the previous year.

For the first time, to my sincere regret and sorrow, I have to inform you of the loss by death of two of our Examiners, Doctors James H. Conway of Woburn and Francis E. Hines of Salem. Both gentlemen were strict in the performance of their duty and devoted to the interests of our Society. Each one was possessed of that remarkable intuitive faculty of selecting good insurance risks of which the records of Qualey Court No. 32 and Essex Court No. 16 are an enduring monument.

The death of one was unexpected, with the usual suddenness characteristic of the hard-working physician; of the other, many years of illness preceded his departure to that promised haven of rest.

The vacancy in Salem was assigned to Medical Examiner McDermott and the one in Woburn by the appointment of Dr. John P. Carroll.

Doctors Swan of Middleboro, Shea of South Framingham and Walsh of Leominster, resigned owing to removal from their several locations.

The vacancy in Leominster was filled by Medical Examiner Lyons, that in Middleboro by the appointment of Dr. A. Vincent Smith and in South Framingham by the selection of Dr. Daniel L. Healey.

The remaining vacancies created by resignations were assigned to Medical Examiner O'Shea of East Boston, and the appointment of Dr. A. Lawrence Brock in Charlestown and Richard S. Morris in Everett.

In accordance with the excellent custom of your Department the new Courts in South Boston, South End, Roxbury, Whitman, Holyoke and Springfield were distributed among our old Examiners,—Doctors Devine of South Boston, Madden and Doherty of Boston, Hanley of Whitman, Clarke of Holyoke and Leonard and Kennedy of Springfield.

As heretofore no changes have been made among the Examiners who do their duty towards our Organization and while we have, as usual, been harshly criticised by the friends of rejected candidates and others, that unfortunate bane of all fraternal societies, the yearly tinkering with the list of Examiners, has been kept in abeyance in our Order.

For this common sense conduct of your affairs and adherence to principle, you are indebted to the courage and business foresight of your High Standing Committee.

This year we have paid ONE HUNDRED AND SEVENTY-THREE death claims, TWENTY-ONE more than in 1900, but FIVE less than the excess of 1900 over 1899.

The average age of the deceased was FORTY-FIVE years, and their average length of time in our Society NINE years.

SEVENTY of these deaths occurred between the ages of FIFTY and SEVENTY-ONE years.

During 1901 the causes of death have made a peculiar change as regards their ratio to each other. Consumption as usual heads the list, but the number dying this year is the same as 1900, viz., THIRTY-EIGHT, SIX women and THIRTY-TWO men, showing a decrease of THREE and SIX-TENTHS per cent this year in persons dying of this dreaded disease.

An unusual occurrence was the number dying from Pneumonia, FOUR women and TWENTY-TWO men, a total of TWENTY-SIX, due to the prevalence of La Grippe.

A most distressing happening is the increase of deaths from Cancer. I mentioned this fact last year and to-day it is the third highest cause, nearly three times that of 1900. FIVE women and SIXTEEN men, a total of TWENTY-ONE and unfortunately it is a disease difficult to detect by reason of its insidious character and very rapid in its destruction of life.

Diseases of the Heart rank fourth, causing NINETEEN deaths confined entirely to male members.

Diseases of the Brain, principally apoplexy, caused the loss of ONE woman and FOURTEEN men.

Bright's Disease of the Kidneys has dropped from third place to sixth this year, with the deaths of FIVE women and EIGHT men, a total of THIRTEEN.

Accidents stand next in the loss of TWELVE members, ONE woman and ELEVEN men.

Diseases of the Liver, many of them preventable, occasioned the deaths of TWO women and SEVEN men, a total of NINE.

Diseases of the Abdomen and unclassified deaths come next, numbering FIVE each. In the former class ONE woman and FOUR men, in the latter TWO women and THREE men. La Grippe occasioned the loss of FOUR men and Rheumatism, Insanity and Appendicitis the loss each of TWO men.

During 1901 we have had TWO THOUSAND, ONE HUNDRED and SEVENTY-FOUR applications to the Society with THREE HUNDRED and SIXTY-FIVE rejections, ONE HUNDRED and FORTY-EIGHT women and TWO HUNDRED and SEVENTEEN men.

Since January first, this year, up to to-day we have had NINE HUNDRED and SIXTY-FIVE applications to our Society, ONE HUNDRED and EIGHTY-THREE more than at the time of the Convention last year.

The causes for rejection of applicants together with the number of the sex in each class of diseases are as follow:

| | Women | Men | Total |
|---|---|---|---|
| Diseases of the Heart | 17 | 40 | 57 |
| Poor personal condition | 27 | 20 | 47 |
| Age above limit | 21 | 22 | 43 |
| Diseases of the Lungs | 26 | 15 | 41 |
| Diseases of the Kidneys | 15 | 24 | 39 |
| Under and over weight | 15 | 7 | 22 |
| Alcoholic habits | 1 | 19 | 20 |
| Diseases of the Liver | 7 | 10 | 17 |
| Refused to complete application | 5 | 12 | 17 |
| Poor family history and personal condition | 3 | 11 | 14 |
| Alcoholic habits and hazardous occupations | | 13 | 13 |
| Hernia | 2 | 7 | 9 |
| Postponed till thirty years of age | 5 | 3 | 8 |
| Refused to become vaccinated | 1 | 5 | 6 |
| Poor family history | 2 | 2 | 4 |
| Defects, hearing, eyesight, etc. | | 3 | 3 |
| Hazardous Occupations | | 3 | 3 |
| Rejected by Investigating Committee | 1 | 0 | 1 |
| .. | 148 | 217 | 365 |

You are to be congratulated upon this exhibit. The circular from this office has produced marked relief from applicants not insurable and who were formerly proposed, to the annoyance of their friends and of our Order.

The diminished number of rejections due to age, poor family history and personal condition is flattering to your care in selecting material for candidates. Regarding habits, I regret the neglect this very important matter is receiving. Either your Investigating Committees are forgetting the character of the trust confided to their judgment or our members are not giving proper assistance. Only one rejection in TWO THOUSAND ONE HUNDRED and SEVENTY-FOUR applications is surely in need of an explanation.

In conformity with the commendable practice of previous years, a report upon all early deaths has been required.

This year I have added six months to the previous eighteen, making the "early death period" two years and under, trusting that this may prove satisfactory and interesting to your body.

In all cases where a doubt is raised regarding causes of loss to our Order an investigation has been made or a report submitted on each death.

We treat our Examiners absolutely fair in these matters and demand the same treatment in return, and in this connection two deaths are of special interest owing to the conduct of the Courts to which the Examiners were formerly accredited.

Of the FIVE early deaths among the women, one was from Cancer, the deceased weighing one hundred and fifty-eight pounds, at time of admission and her mother, together with nine brothers and sisters living. The attending Physician reported the cancerous growths as being numerous and rapid growing in character.

Another case was a rare and unusually fatal form of hemorrhagic disease, treated for two weeks preceding death at the Hospital.

The third death was caused by rupture of an artery in a lower limb, death resulting from the great loss of blood.

The fourth case was a Pneumonia of nine days' duration, and the fifth and last case one of those unfortunate complications of motherhood, ending in death after fourteen hours of continuous suffering.

Of the THIRTEEN deaths among men, four were caused by Pneumonia, two occurring after six to eight days' illness, and the third at the Boston City Hospital.

The fourth was of a member only one month and twenty-seven days in our Order. He was a total abstainer, never had been sick and died within five days after an unavoidable all-day exposure on his team to a drenching rainstorm.

Shock following an operation for Appendicitis at St. John's Hospital occasioned the loss of another member.

Consumption subsequent to an attack of La Grippe caused the death of two others, both total abstainers. In one case father and mother and eight brothers and sisters alive; in the other, the father and all the brothers and sisters living.

The hot wave of last July resulted in the loss of one of our members at the City Hospital, from Sunstroke, after a period of eleven months and ten days in the Order.

A malignant case of blood poisoning after only three days' illness and suffering caused us another death.

One of our Order died at the Hospital from hemorrhage complicating Typhoid Fever, having been a member only seven months and nine days. He was a man weighing over one hundred and ninety pounds upon admission with an excellent record.

A peculiar case, and one in which legal damages were obtained, resulted in the loss of a member thirty-five years old, due to an accident from the complications of which he died after an illness of many months.

Of the two remaining deaths referred to before, one member was admitted as a first-class risk and died, one year four months and three days after admission. His death was sudden.

As is usual in doubtful cases, an autopsy by the Medical Examiner of Suffolk County was held, and disclosed Chronic Heart and Kidney disease of many years' standing, and also an old inflammation of one lung. The Examiner who admitted this risk has resigned.

The other case was a young man thirty-six years old classed as a good risk, who died suddenly of a rare cause of death in one of his age, after having been a member one year ten months and seventeen days. Upon investigation by the Committee it was found that he had a Chronic Heart disease and bad personal history, dating back many years and treated in various public Hospitals. The Examiner who admitted this risk also resigned.

With the exception of these last two deaths, we have in this record but three losses due to Chronic disease, two from Consumption, traceable to an attack of La Grippe, and one in particular due to neglect of the Physician's orders to remain at home.

The death from Cancer, owing to the location of the disease, was not likely to be recognized.

In connection with these reports, I wish to thank our Examiners and particularly attending Physicians for their kindness in furnishing details and explanations on cases when requested.

A very important matter to which I again call attention, and one that has cost us thousands of dollars, is the moral cowardice displayed upon the admission of applicants. We learn, when too late, facts that would prevent the admission of many risks.

Confidential communications from any source sent to me or any member of the Committee are guaranteed protection. Anonymous letters I receive in abundance, but a sense of justice prohibits them from being considered.

We have paid a claim upon a deceased member this year, who was fifty-four years old at the time of his admission, nearly five years ago, the age given at that time being forty-eight years and certified as correct by the Examiner who had known him fifteen years. Since the introduction of the careful methods of the past four years, this could not occur, but there are others.

Provided we were certain of success at law in expelling this class of risks, litigation is an undoubted injury to an Insurance Company and this is particularly true in one like our own of a Fraternal character.

It certainly requires no great degree of intelligence to appreciate the injury such cases as this do to each member of our Society, as well as to the prestige of the management of the Order.

Pardon me in again calling attention to the interference of members and Courts with your medical work. This year more pronounced abuses of this kind have occurred, and it is unpleasant to be the recipient of these attacks.

Such behavior is a reproach to the high standard that the reputable ladies and gentlemen of this Order are endeavoring to maintain in conjunction with your High Standing Committee.

Personally, I wish to assure these belligerents that conduct suggesting the possession of ordinary fairness and intelligence would prove of greater service, and, I may be permitted to add, that any other course is wasted upon the present incumbent of the position of High Medical Examiner.

It matters not what the influence or connections of an Examiner may be, no one from the highest to the lowest in your Medical Department is exempt from the enforcement of the rules where the successful maintenance and future prosperity of this Order is involved.

We owe a duty to the widows and orphans of our deceased members, greater and higher than friendship to any past, present, or future Medical Examiner of this Society.

In conclusion, ladies and gentlemen, may the absolutely honest and consistent management in vogue in your Medical Department continue; may that ready acquiescence of the High Standing Committee in the rejection of their friends and relatives, extend to every individual in our Organization.

May you all bear in mind that your duty requires you to uphold your officials in perpetuating the good work we are engaged upon, that you may suppress those unhappy elements of discord that are unfortunately our inheritance, that you bear in mind there are two sides to all questions, and may you by your fealty and devotion to principle continue the Massachusetts Catholic Order of Foresters in its career of success and honor as the leading Insurance Society among the Catholic people of the Commonwealth of Massachusetts.

FRANCIS J. McQUEENEY, M. D.,

High Medical Examiner.

On motion of Bro. Robert Dwyer of St. Michael Court No. 70, seconded by Dr. Julius D. Werner of Germania Court No. 93, the report of the High Medical Examiner was accepted.

On motion of Bro. John J. Slavin of St. Catherine Court No. 62, the report of the High Medical Examiner was ordered printed.

The High Court Chaplain, Rev. James H. O'Neil of Rockland, was then presented and addressed the Convention in part as follows:—

## ADDRESS OF HIGH COURT CHAPLAIN

# Rev. JAMES H. O'NEIL,

At the Morning Session.

We have gathered here this morning to deliberate on the interests of 17,000 Foresters. It is well that we begin our labors by invoking the Spirit of Wisdom, the Holy Ghost and beseeching Him to direct our thoughts and acts in a way that shall be conductive of the greatest good to the greatest number. We begin with God on whom we rely, realizing that "Unless the Lord build the house they labor in vain who build it; unless God blesses our deliberations they will come to naught." Our great Archbishop has blessed us and prayed that our ranks would grow till they were numbered not by the thousands, but by the hundred thousands. It is a pleasure for me to be here to-day as your Chaplain, to do all in my power to advance the interest of Forestry.

During the past year we have made wonderful progress; and let me say to you that under God's blessing, the chief cause of this wonderful advancement has been the self-sacrificing labor of your High Standing Committee. I have labored with them, going from place to place; I have sat at the council table with them, and under all circumstances they were men—Christian men—who edified me a priest, by their zeal, their self-sacrifice and their disinterested efforts in our holy cause. You cannot do better than to re-elect your old High Standing Committee.

One thing in particular comes to my mind at this present moment

and that is the Foresters' Memorial Scholarship at Brighton. We have not as yet fulfilled our promise to the Archbishop, to give him $5,000 the interest of which is to be used to educate a Forester or the son of a Forester to the Holy Priesthood.

There is yet $600 due, and I ask as a particular personal favor that the Convention will not adjourn until some action is taken to meet this honest debt. As a matter of justice we owe this to our Archbishop, who for the past two years has been educating a Forester on a fund that is not yet fully paid.

In conclusion let me say to you: let your deliberations be marked by a spirit of moderation, truth and charity. It is but natural that delegates should view the various questions that will come before them in various and different lights, but in all things let us use charity; remember it is one of the cardinal virtues of our grand Order.

God speed you in your deliberations, and may His Spirit direct us all in the way of Christian manliness.

## REPORT OF COMMITTEE ON CREDENTIALS.

At eleven (11) o'clock Bro. Henry F. Purcell of Americus Court No. 34, for the Committee on Credentials, reported 284 delegates present out of a total number of 347. On motion of Capt. Jeremiah G. Fennessey of St. James Court No. 54, the report of the Committee was accepted as progressive.

## NOMINATION OF OFFICERS.

The High Chief Ranger then stated that nominations for officers was next in order, as it was desirable to have the nominations made before the recess for dinner, so that the ballot might be printed to conform to the Australian system.

Bro. Peter F. Ward of Pinehurst Court No. 167 placed in nomination the present High Chief Ranger, Bro. Daniel A. Cronin of St. Joseph Court No. 11, saying: "That he made a record during the past year that he might well feel proud of, for surely the Organization is, and he is deserving of a second term." The nomination was seconded by Mrs. Joanna V. Doyle of St. Valerian Court No. 111.

On motion of Bro. Mulcahy of St. John's Court No. 23, seconded by Bro. Farrenkopf of Sherwood Court No. 8, nominations for High Chief Ranger were closed.

Bro. Patrick J. Sullivan of Geo. Washington Court No. 85 placed in nomination for the office of High Vice Chief Ranger the present incumbent, Bro. Timothy B. Reardon, paying a deserved tribute to his work as a member of the High Standing Committee. The motion was seconded by Miss Catherine T. Leonard of St. Valerian Court No. 111.

Bro. John J. Slavin of St. Catherine Court No. 62 presented the name of Bro. Charles B. Dunn of the same Court for the office of High Vice Chief Ranger, the motion being seconded by Bro. James Grant of St. Raphael Court No. 26. There being no further nominations the High Chief Ranger then declared nominations for High Vice Chief Ranger closed.

Miss Grace M. Reardon of Mt. Carmel Court No. 148 presented the name of Major John J. Leonard for re-election as High Secretary-Treasurer, and the nomination was seconded by Sister Catherine Broderick of Our Lady of Lourdes Court No. 143, and Bro. Dennis D. Driscoll of Americus Court No. 34.

## ADDRESS OF Rev. JAMES H. O'NEIL, H. C. C.

### At the Afternoon Session.

Before leaving you, as my duties call me home at this hour, permit me to call your attention to a few matters of importance to our Order.

The opening of our Convention is always by a High Mass, offered for the repose of the souls of our deceased members. Our obligations as Foresters do not cease with death. Our charity and fraternity should bring us over the grave, and cause us to follow in prayer the souls of our brothers. Therefore it is to be hoped and expected that all delegates should attend this Mass, and another year I look for a great improvement in this respect.

Another thing: see to it that all individuals who ask to be Foresters, shall be practical Catholics. We are a Catholic organization and our faith is our foundation. The better we exemplify our holy faith by obeying the Church law, the nearer we come to fulfilling our duties as Foresters.

Any individual who is not true to his faith and its holy teachings, will not make a good Forester and no fit associate in any great order.

Again I appeal to you with all the earnestness of which I am capable, to meet your honest obligation in the matter of Scholarship.

With these few words I would wish you all good night and God bless you.

Col. Thomas F. Doherty, Past High Chief Ranger, made a few remarks, congratulating the Order upon its work during the past year.
